Manual 1974-1977 Twin Cylinder 5 & 6 Speed Cb250, Cj250t, Cb360, Cl360, Cb360t & Cj360t Floyd Clymer, 2023-08-29 170
pages and more than 450 illustrations and charts size 8 25 x 10 75 inches This workshop manual is a compilation of 4 original
Honda publications It includes a reproduction of the original 250cc and 360cc twin cylinder 1974 factory workshop manual
for both the disc brake and drum brake models plus 3 factory supplements that cover both the 5 and 6 speed variants which
extends the coverage of the original manual through 1977 The models covered are CB250 CJ250T CB360 CL360 CB360T and
CJ360T Many of the earlier Honda motorcycle models were often introduced at different times and in different countries
using different model names or designations For example the CB 250 was predominantly sold in the European market and
not officially available in the USA However the 360cc models were available in both Europe and the USA Unfortunately this
often leads to difficulty in selecting the correct workshop manual and owners of this series of 250cc and 360cc twins are
subjected to considerable confusion surrounding the appropriate selection from the multitude of OEM publications that have
recently flooded the on line marketplace This confusion is compounded by the fact that Honda used both 5 and 6 speed
transmissions within the 1974 to 1977 production run of the 250 360 series Owners of the 1968 1973 twin cylinder 5 speed
250cc and 350cc models are directed to our Honda factory workshop manual ISBN 9781588502612 Owners of the 1961 1968
twin cylinder 250cc and 305cc C72 C77 series will require our Honda factory workshop manual ISBN 9781588500731 Finally
please note that the text in the original Honda Factory Workshop Manual was translated from Japanese into English
Consequently some of the phrasing grammar punctuation and word usage may be subtly different from that commonly used
in the English language However the information as presented is readily understandable In addition while we have done our
best to identify any anomalies errors and incorrect spelling that may have occurred during the original translation process
we are certain that we will have missed one or two and we request your indulgence in ignoring them *Consumer Register,*
