

MonArk Aluminum Boats Start At \$209

Two decades of experience in constructing aluminum boats is built into every MonArk—from our economical 10' flat-bottom to the "Superfishing" Aluminum Bass Boats. Two decades of constant improvement and expansion means MonArk offers one of the most complete and value packed lines of rugged aluminum boats available.

The very first MonArk was an aluminum flatbottom over twenty years ago. Today we offer a wide selection of flatbottom models in 10' to 20' lengths and in a variety of bottom and beam widths. Many models are equipped with live wells and they all feature the rugged construction MonArk is known for—heavy cast or formed aluminum knee braces, seamless formed ribs that extend all the way up the sides, large corner caps, cast aluminum oar locks, multiple loops for stringers, foam flotation

NEW! Two Superfishing Aluminum Bass Boats are new for 1978, with features like aerated live wells, casting platforms, mechanical steering and much more. Models 1644 and 1644P are outstanding values.

In addition to our line of aluminum boats, we offer 8 fiberglass fishing models including the exciting, all new McFast S/F.
