Kromida, 1984 **American Cars,**

1973-1980 J. "Kelly" Flory, Jr., 2012-11-14 The 1973 oil crisis forced the American automotive industry into a period of dramatic change marked by stiff foreign competition tougher product regulations and suddenly altered consumer demand With gas prices soaring and the economy in a veritable tailspin muscle cars and the massive need for speed engines of the late 60s were out and fuel efficient compacts were in By 1980 American manufacturers were churning out some of the most feature laden yet smallest and most fuel efficient cars they had ever built This exhaustive reference work details every model from each of the major American manufacturers from model years 1973 through 1980 including various captive imports e g Dodge s Colt built by Mitsubishi Within each model year it reports on each manufacturer s significant news and details every model offered its specifications powertrain offerings prices standard features major options and production figures among other facts The work is heavily illustrated with approximately 1 300 photographs **New Serial Titles**, 1994 A union list of serials commencing publication after Dec 31 1949 **American Automobile Advertising, 1930-1980** Heon

Stevenson, 2008-11-24 This book provides a comprehensive history of American print automobile advertising over a half century span beginning with the entrenchment of the Big Three automakers during the Depression and concluding with the fuel crises of the 1970s and early 1980s Advances in general advertising layouts and graphics are discussed in Part One together with the ways in which styling mechanical improvements and convenience features were highlighted Part Two explores ads that were concerned less with the attributes of the cars themselves than with shaping the way consumers would perceive and identify with them Part Three addresses ads oriented toward the practical aspects of automobile ownership

concluding with an account of how advertising responded to the advance of imported cars after World War II Illustrations include more than 250 automobile advertisements the majority of which have not been seen in print since their original publication Cars & Parts ,1994
