1980 Tv Guide Cover Social Climbers:

The Kaleidoscope British Christmas Television Guide 1937-2013 Chris Perry, 2016-02-03 A Guide to British television programmes shown at Christmas time throughout the years *TV Guide*, 2007 **The Age of Melodramatic Miniseries** Scott Humphries, 2023-03-17 Glamour power champagne breakfasts in satin sheets welcome to television's most dazzling and overlooked genre women centric melodrama miniseries of the 1980s and 1990s Decades before *Real Housewives* rags to riches fantasies depicting strong women overcoming tragedy to take charge of their destinies were a big hit with TV audiences Reflecting the greed is good ethos of the day and encoded with feminist messaging these glitzy often camp stories depicted statuesque superwomen facing off with square jawed men in boardrooms and bedrooms This book explores the shows that epitomized the prime time soap era and gave us such memorable scenes as Stefanie Powers trading lovers with her twin sister Joan Collins fighting Nazis in haute couture and Phoebe Cates demanding Which one of you bitches is my mother *The Six O'Clock Presidency* Fredric T. Smoller, 1990-09-07 Studying the increasingly powerful role television plays in the political process Fredric T Smoller offers a persuasive argument that the big three network coverage of the presidency is gradually eroding public support for and confidence in that office This book argues that network coverage of the presidency is determined by the political technical and commercial nature of the medium itself producing a bias toward extensive and negative coverage Smoller studies the thematic nature of television's presidential coverage demonstrating how producers and correspondents integrate their daily coverage into ongoing themes which provide dramatic unity over a prolonged period of time Thus television's portrayal of the White House generally starts out favorable but soon becomes unfavorable Attempts by the White House to combat these negative portrayals by managing news coverage and isolating the president will subvert democratic values *The Six O'Clock Presidency* argues against generally accepted views that network coverage of the presidency is too favorable and reveals the power of the networks to unravel the career of individual presidents and the public's support for that office Noting that television news is getting tougher on the presidency as each full term administration president since Richard Nixon has received a bigger measure of poor coverage than its predecessor the author spent several weeks with the White House press corps to determine how this could be explained He interviewed television news executives correspondents and technicians for ABC CBS and NBC as well as White House officials The result is a comprehensive study of the economics technology and personnel of network news and its coverage of the presidency *Reagan* Max Boot, 2024-09-10 NEW YORK TIMES 10 BEST BOOKS OF 2024 INSTANT NEW YORK TIMES BESTSELLER Washington Post 50 Best Nonfiction Books of 2024 Best Books of 2024 The New Yorker The Economist Chicago Public Library The Auburn Citizen This elegant biography of the 40th president stands out for its deep authority and nimble style A landmark work New York Times 10 Best Books of 2024 Reagan His Life and Legend aims to be the definitive biography and it succeeds New Yorker Magisterial Important Vivid Splendid Washington Post Son of the Midwest movie star

and mesmerizing politician America's fortieth president comes to three dimensional life in this gripping and profoundly revisionist biography In this monumental and impressive biography Max Boot the distinguished political columnist illuminates the untold story of Ronald Reagan revealing the man behind the mythology Drawing on interviews with over one hundred of the fortieth president's aides friends and family members as well as thousands of newly available documents Boot provides the best biography of Ronald Reagan to date Robert Mann The story begins not in star studded Hollywood but in the cradle of the Midwest small town Illinois where Reagan was born in 1911 to Nelle Clyde Wilson a devoted Disciples of Christ believer and Jack Reagan a struggling alcoholic salesman Boot vividly creates a portrait of a handsome young man indeed a much vaunted lifeguard whose early successes mirrored those of Horatio Alger And contextualizing Reagan's life against American history Boot re-creates the world in which Reagan transitioned from local Iowa sportscaster to budding screen actor The world of Hollywood from the 1930s to the 1950s would prove significant not only in Reagan's coming of age in such classics as *Knute Rockne* and *Kings Row* but during the twilight of his film career when he played opposite a chimpanzee in *Bedtime for Bonzo* and then his eventual emergence as a television host of General Electric Theater which established his bona fides as one of the leading conservative voices of the time Indeed the leap to California governor in 1966 seemed almost preordained in which Reagan became a bellwether for a nation in the throes of a generational shift Reagan's 1980 presidential election augured a shift that continues into this century Boot writes not as a partisan but as a historian seeking to set the story straight He explains how Reagan was an ideologue but also a supreme pragmatist who signed pro abortion and gun control bills as governor cut deals with Democrats in both Sacramento and Washington and befriended Mikhail Gorbachev to end the Cold War A master communicator Reagan revived America's spirits after the traumas of Vietnam and Watergate But Boot also shows how Reagan was armored in obliviousness He traces Reagan's opposition to civil rights over forty years reveals how he neglected the exploding AIDS epidemic and details how America experienced a level of income inequality not seen since the Gilded Age With its revelatory insights Reagan *His Life and Legend* is no apologia depicting a man with a good versus evil worldview derived from his moralistic upbringing and Hollywood westerns Providing fresh examinations of trickle down economics the Cold War's end the Iran Contra affair as well as a nuanced portrait of Reagan's family this definitive biography is as compelling a presidential biography as any in recent decades
