

A detailed view of a car's lower suspension assembly, specifically a control arm and ball joint, resting on a wooden workbench. The assembly is dark-colored metal. To the right of the main assembly, there are several small, dark, cylindrical components, likely ball joint caps or seals. A yellow arrow points from one of these components towards the ball joint on the main assembly. In the background, there is a small container with a brush, possibly containing grease or oil, and other tools and parts scattered around.
