A Fossil History of Southern African Land Mammals D. Margaret Avery, 2019-04-11 A comprehensive reference on the taxonomy and distribution in time and space of all currently recognized southern African fossil mammals This title is also available as Open Access on Cambridge Core **Hominin Postcranial Remains from Sterkfontein, South Africa, 1936-1995** Bernhard Zipfel, Brian Richmond, Carol V. Ward, 2020 This volume is the first source to present an in depth analysis of postcranial fossils allowing readers to cross compare standardized data for themselves The Paleobiology of Australopithecus Kaye E. Reed, John G Fleagle, Richard E Leakey, 2013-03-15 Australopithecus species have been the topic of much debate in palaeoanthropology since Raymond Dart described the first species Australopithecus africanus in 1925 This volume synthesizes the geological and paleontological context of the species in East and South Africa covers individual sites such as Dikika Hadar Sterkfontein and Malapa debates the alpha taxonomy of some of the species and addresses questions regarding the movements of the species across the continent Additional chapters discuss the genus in terms of sexual dimorphism diet reconstruction using microwear and isotopic methodologies postural and locomotor behavior and ontogeny

Zonal Biomes of Southern Africa Ladislav Mucina, Michael C. Rutherford, 2024-09-28 This book is the first comprehensive account of large scale ecosystems biomes of Southern Africa defined as area south of the Kunene and Zambezi Rivers It addresses the diversity of biomes in one of the most biodiverse regions of the world comprising South Africa Namibia Botswana Zimbabwe southern part of Mozambique Eswatini and Lesotho It has adopted a novel hierarchical biome classification approach The biomes at four levels of complexity are identified described and mapped using modern GIS assisted mapping technology The structure of the book and its comprehensive nature makes this product of prime interest to teachers and students of all tertiary education levels as well as to scientists in the fields of ecology biodiversity science and bioclimatology It is poised to serve as a major reference book and handbook for the users in these scientific fields **Fault Lines** Jonathan Jansen, Cyrill Walters, 2020-03-31 What is the link if any between race and disease How did the term baster as mixed race come to be mistranslated from incest in the Hebrew Bible What are the roots of racial thinking in South African universities How does music fall on the ear of black and white listeners Are new developments in genetics simply a backdoor for the return of eugenics For the first time leading scholars in South Africa from different disciplines take on some of these difficult questions about race science and society in the aftermath of apartheid This book offers an important foundation for students pursuing a broader education than what a typical degree provides and a must read resource for every citizen concerned about the lingering effects of race and racism in South Africa and other parts of the world The Oxford Handbook of the South African Economy Arkebe Oqubay, Fiona Tregenna, Imraan Valodia, 2021-11-18 While sharing some characteristics with other middle income countries South Africa is a country with a unique economic history and distinctive economic features It is a regional economic powerhouse that plays a significant role not only in southern Africa and in the

continent but also as a member of BRICS However there has been a lack of structural transformation and weak economic growth and South Africa faces the profound triple challenges of poverty inequality and unemployment Any meaningful debate about economic policies to address these challenges needs to be informed by a deep understanding of historical developments robust empirical evidence and rigorous analysis of South Africa s complex economic landscape This volume seeks to provide a wide ranging set of original detailed and state of the art analytical perspectives that contribute to scientific knowledge as well as to well informed and productive discourse on the South African economy While concentrating on the more recent economic issues facing South Africa the handbook also provides historical and political context It offers an in depth examination of strategic issues in the country s key economic sectors and brings together diverse analytical perspectives
