Personal Finance ,2010 **Congressional Record** United States. Congress,2003 **Kiplinger's Personal Finance Magazine** ,2010 **Repère** ,2010 Daddin' Dion McInnis,2010-09-24 This is a book of moments the moments that describe and illuminate the verbs of fatherhood In our society mothers mother They care for nurture and love their children in ways that give meaning and understanding to the verb to mother When we talk about a man fathering a child the intended meaning is usually that the man sired a child What are the verbs that describe what happens each day for a father The verb of being a dad is now daddin This book blends stories and insights of being son to a father and father to three sons over the years of havin learnin listenin lovin playin fishin growin leavin and livin Those comprise the verbs and the chapters of this father s view of living and loving the role of dad This is at its core a tribute to my parents and my sons Dream Builders, Dream Killers Berteau Joisil,2010 All immigrants to America have a story with the American Dream a story sometimes intimately intertwined with personal dreams My story might be a surprising if not maybe an unexpected one diverging from the usual account of pitiful existence in Haiti s slums or that of struggle for adaptation to America s way of life by one of Haiti s boat people who landed on South Florida s coast It is a story that starts from the lower plains of the Artibonite Valley in Haiti with a dream from my great grandfather Joizil Estim and continues in the United States ultimately in Powell Ohio It is the story of a Haitian immigrant born in the small coastal town of Saint Marc Haiti It evolves with my experiences growing up in my native country where my formative years were influenced by a connection to a diverse sociocultural environment It progresses with my interaction with other societal enclaves in foreign lands like Germany and ultimately in the United States It is an account of dreams fulfilled or unfulfilled due not only to factors such as the convergence of different motivational

agents dreambuilders the winds blowing on corporate America whether in Haiti or the United States but also to different conditions such as country of origin globalization social class and Afro ethnicity in America dreamkillers It is the story of coping with life changes of integration into the American mainstream of successes and disappointments of an immigrant from Haiti But it is more than the story of an immigrant it also reflects in a way the struggle of all immigrants coping with the pursuit of the American Dream and the quest for adaptation and continuous learning It relates to all those who have wrestled with their dreams those who have learned to make the best out of life s circumstances and keep a positive outlook in the era we live in Dreambuilders dreamkillers are in all walks of life

Persuasive Games Ian Bogost, 2010-08-13 An exploration of the way videogames mount arguments and make expressive statements about the world that analyzes their unique persuasive power in terms of their computational properties Videogames are an expressive medium and a persuasive medium they represent how real and imagined systems work and they invite players to interact with those systems and form judgments about them In this innovative analysis Ian Bogost examines the way videogames mount arguments and influence players Drawing on the 2 500 year history of rhetoric the study of persuasive expression Bogost analyzes rhetoric s unique function in software in general and videogames in particular The field of media studies already analyzes visual rhetoric the art of using imagery and visual representation persuasively Bogost argues that videogames thanks to their basic representational mode of procedurality rule based representations and interactions open a new domain for persuasion they realize a new form of rhetoric Bogost calls this new form procedural rhetoric a type of rhetoric tied to the core affordances of computers running processes and executing rule based symbolic manipulation He argues further that videogames have a unique persuasive power that goes beyond other forms of computational persuasion Not only can videogames support existing social and cultural positions but they can also disrupt and change these positions themselves leading to potentially significant long term social change Bogost looks at three areas in which videogame persuasion has already taken form and shows considerable potential politics advertising and learning
