

Popcorn Volleyball

*My daughter had tryouts for volleyball
it was a Junior Olympic team
A high level, nerve racking game
but it's great for her self-esteem*

*She practiced many hours
until the time arrived
to go to this big tournament
and show what she had inside*

*We arrived at the tournament center
We didn't know what to expect
The place was the size of a blimp hanger
which lent to a special effect*

*As you looked out over the expanse
It was amazing what you saw
all these volleyballs dancing in air
A popcorn machine at the mall*

Future Poets Rod Martin, 2011-03-14 Future Poets has One Hundred and One Poetry Challenges Lesson plans Poetic Devices explained as well as Copyright Free poems for speech presentations It can be a stand alone poetry unit and is great for substitute teachers and last minute lessons This book is for all my fellow teachers who enjoy poetry and believe their students will become better writers if they keep practicing Kids often just need something interesting and challenging to write about that is how this book can help Poetry with its conciseness emotion and lack of punctuation is a great way to begin each school year and ease the kids into other forms of writing Poetry lends itself to success Anyone can do it And its personal it comes from the students experiences and emotions Poetry works well for engaging student writers because it is challenging and yet flexible There are so many types and styles of poems they can experience There is also a lot of leeway in terms of punctuation idioms and slang and how the words appear on the page The emphasis in this book is students as poets Its not about studying the famous poets who have gone before Its about finding a love for expressing yourself that can last a lifetime It is my hope that this book will help your students come to a better understanding of poetry and eventually feel confident in their ability to write poems Films and Other Materials for Projection Library of Congress, 1968
