The legacy of past civilizations is still with us today In *Ancient Rome* readers discover the history and impressive accomplishments of the ancient Romans including their military power and feats of engineering Engaging text provides details on the civilization s history development daily life culture art technology warfare social organization and more Well chosen maps and images of artifacts bring the past to life Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO *Lumley's Bibliographical Advertiser* ,1840 *Children's Books In Print 1998* Bowker Editorial Staff,R R Bowker Publishing,Bowker,1998 *Ancient Rome* R. Scott Smith,2014-03-15 Terrific exactly the sort of collection we have long needed one offering a wide range of texts both literary and documentary and that with the inclusion of Sulpicia and Perpetua allows students to hear the voices of actual women from the ancient world The translations themselves are fluid the inclusion of long extracts allows students to sink their teeth into material in ways not possible with traditional source books The anonymous texts inscriptions and other non literary material topically arranged in the Documentary section will enable students to see how the documentary evidence supplements or undermines the views advanced in the literary texts This is a book that should be of great use to anyone teaching a survey of the history of Ancient Rome or a Roman Civilization course I look forward to teaching with this book which is I think the best source book I have seen for the way we teach these days David Potter University of Michigan
