Even the greatest songwriters and Spandau Ballet have had the odd bad day at the office Or more likely a bad few minutes in the studio toilets scribbling the first words they can think of on the back of their tranquiliser prescription shortly before the vocal has to be recorded Johnny Sharp has trawled half a century of lyrics to find the funniest examples of crippled couplets outrageous innuendo mixed metaphors shameless self delusion nefarious nonsense and flagrant filth Not to mention unforgivable over use of alliteration *Crap Lyrics* is a humorous celebration and occasionally condemnation of over 120 of the most ridiculous hooks lines and stinkers from pop poetry through the modern ages Johnny Sharp has spent 15 years as a music journalist and several of those years writing for NME under the name Johnny Cigarettes so he knows that ridicule is nothing to be scared of He s serious as cancer when he asks Are we human or are we dancer And where do we go from here Is it down to the lake I fear While moving like a tortoise full of rigor mortis Whether you re a diplomat or even down the Laundromat if you have ever heard a song and thought You what this is the book for you
