And They Thought We Wouldnt Fight:

"*And they thought we wouldn't fight*" Floyd Phillips Gibbons, 2022-09-15 In *And they thought we wouldn't fight* Floyd Phillips Gibbons offers an arresting account of wartime experiences and the indomitable spirit of a nation drawn into conflict. As a daring war correspondent for the Chicago Tribune, Gibbons's memoir recounts the harrowing events aboard the *Laconia*, culminating in its sinking and his subsequent rescue. The narrative is brimming with detail and pulse-pounding narration rendered in vivid journalistic prose that captures the zeitgeist of the World War I era. Gibbons's ability to craft compelling testimony out of the maelstrom of war situates his work firmly within both the tradition of American war correspondence and the broader literary tapestry of early 20th-century reportage. Floyd Phillips Gibbons was not only an intrepid journalist but also a catalyst of historical consequence. His eye-witness account electrified the American public, spurring a shift in perception and policy. The urgency and gravity in Gibbons's writings galvanized the U.S. towards action, underscoring his role as both a scribe of history and an influential figure in America's decision to enter World War I. The interplay of Gibbons's personal courage and the far-reaching impact of his work infuses his memoir with a deep sense of authenticity and authority. This memoir is essential reading for those who seek a personal, gritty perspective on the events that reshaped the modern world. Gibbons's narrative invites readers to delve into the raw and often overlooked human elements of war, providing not only historical insights but a powerful reminder of the importance of journalism in times of crisis. It is a recommendation without reservation to anyone interested in war history, journalism, or the timeless narratives of courage and patriotism that define era-defining moments.

"And they thought we wouldn't fight" Floyd Gibbons, 2015-12-27 Marshal Foch, the commander of eleven million bayonets, has written that no man is more qualified than Gibbons to tell the true story of the Western Front. General Pershing, Commander in Chief of the American Expeditionary Forces, has said that it was Gibbons' great opportunity to give the people in America a life-like picture of the work of the American soldier in France. The key to the book is the man. *Public Papers of the Presidents of the United States*, United States, President, 2000. Containing the public messages, speeches, and statements of the President, 1956-1992. **Doughboys on the Great War** Edward A. Gutiérrez, 2017-01-20 It is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918. Edward Coffman wrote in *The War to End All Wars*. In *Doughboys on the Great War*, the voices of thousands of servicemen say otherwise. The majority of soldiers from the American Expeditionary Forces returned from Europe in 1919. Where many were simply asked for basic data, veterans from four states—Utah, Minnesota, Connecticut, and Virginia—were given questionnaires soliciting additional information and remarks. Drawing on these questionnaires completed while memories were still fresh, this book presents a chorus of soldiers' voices speaking directly of the expectations, motivations, and experiences as infantrymen on the Western Front in World War I. What was it like to kill or maim German soldiers? To see friends killed or maimed by the enemy? To return home after experiencing such violence? Again and again, soldiers wrestle with questions like

these putting into words what only they can tell They also reflect on why they volunteered why they fought what their training was and how ill prepared they were for what they found overseas They describe how they interacted with the civilian populations in England and France how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home and perhaps most significantly what it all added up to in the end Together their responses create a vivid and nuanced group portrait of the soldiers who fought with the American Expeditionary Forces on the battlefields of Aisne Marne Argonne Forest Belleau Wood Chateau Thierry the Marne Metz Meuse Argonne St Mihiel Sedan and Verdun during the First World War The picture that emerges is often at odds with the popular notion of the disillusioned doughboy Though hardened and harrowed by combat the veteran heard here is for the most part proud of his service service undertaken for duty honor and country In short a hundred years later the doughboy once more speaks in his own true voice We Thought We Were Invincible: A Sweet Young Adult Romance Michelle MacQueen,2019-08-01 Enjoy this sweet young adult romance from bestselling author Michelle MacQueen perfect for fans of Judy Corry and Anne Marie Meyer He s her twin brother s best friend and she s the girl who hates him California McCoy only cares about one thing in life Surfing When she s out on the water she doesn t have to think about her family s failing diner the father she never knew or the fact that her mother is gone All she has left is her aunt her twin brother and a deep desire to get out of Gulf City the moment she graduates high school When a school project pairs her with Jamie Daniels her brother s best friend and her nemesis she s sure it ll be a disaster The only problem Jamie wants a truce for the rest of their senior year She promises herself she won t fall for the golden haired playboy that she ll keep her head down and her heart locked up tight But Jamie he might just be the most thrilling and painful wave of her life We Thought We Were Invincible is book one in the Invincible duology featuring charming surfers a tightknit family and a battle of wills they weren t prepared for This is a clean young adult contemporary romance and should be read with book two Download it now to see why readers love it There is a trigger warning at the beginning Make sure you check it out if you need to **Fighting to Live Again** Rita McVey,2019-03-19 Fighting to Live Again is about Cecil McLendon a World War II veteran who fought in Europe in the US Army s 110th Infantry 28th Division The day he received his draft notice was the happiest day of his life He spoke very little of the gory details of war Like other veterans he said no one would believe him He didn t mention the names of buddies he lost although his division was called the Bloody Buckets He talked about his family his childhood the Army the people he met and his war wounds The Army was such an improvement in his life he didn t complain His captain told him that since he liked KP he could go to cook and baker s school That is where he met Dorothy Like many other couples of their generation he went to war and she went to work With Dorothy waiting for him life took on a new purpose and gave him a stronger determination to fight to survive Cecil fought in four major battles in Europe and was seriously wounded twice After Germany surrendered Cecil was shipped home for a month long furlough before reporting for jungle training When the Japanese surrendered he felt as if a death sentence was

lifted He survived the war but then had to fight its emotional effects He began reading the Bible and searching for God's will for his life He also fought the Veterans Administration for benefits to help him with the physical effects of his war wounds He fought through pain each day in order to get out of bed to go to work to provide for his family He fought the paralysis that finally overtook his body Even as a paraplegic he continued to participate in the community He greeted and offered friendly smiles to those he met He fought the good fight

Those We Thought We Knew David Joy, 2024-08-27 Winner of the 2023 Willie Morris Award for Southern Fiction Winner of the 2023 Thomas Wolfe Memorial Literary Award Winner of the 2024 Sir Walter Raleigh Award From award winning writer David Joy comes a searing new novel about the cracks that form in a small North Carolina community and the evils that unfurl from its center Toya Gardner a young Black artist from Atlanta has returned to her ancestral home in the North Carolina mountains to trace her family history and complete her graduate thesis But when she encounters a still standing Confederate monument in the heart of town she sets her sights on something bigger Meanwhile local deputies find a man sleeping in the back of a station wagon and believe him to be nothing more than some slack jawed drifter Yet a search of the man's vehicle reveals that he is a high ranking member of the Klan and the uncovering of a notebook filled with local names threatens to turn the mountain on end After two horrific crimes split the county apart every soul must wrestle with deep and unspoken secrets that stretch back for generations *Those We Thought We Knew* is an urgent unraveling of the dark underbelly of a community Richly drawn and bracingly honest it asks what happens when the people you've always known turn out to be monsters what do you do when everything you ever believed crumbles away

They Said I Wouldn't Make It Frederick Ronzell Best, 2008-03-07 *They Said I Wouldn't Make It* This is a book that needs to be read by all It is full of everyday life situation A book about one man's dreams and struggles to get custody of his ten siblings and reunite his family together again This book is a pure inspiration to millions I was always challenged by people that said that they were normal telling me that I wouldn't make it in life because of how I was born Not only is this book written from my heart but it is also written through my pain and tears triumphs and victories It is my desire that kids that are born handicap would have the understanding that no one can make you handicap if you chose not to be that handicap is a state of one's mind It is my desire that the department of Social Services will remove the name foster from kids There is no such thing as a false child all kids are real For those that are single parents I hope that you receive new strength You can make it don't give up For the parents that have kids that were born handicap if you want them normal don't raise them handicap For you that have lost your family through the system don't give up miracles still happen For those of you that had been through sexual physical psychological or any other abuse you can be healed Many people's childhoods destroyed their adulthoods For you this does not have to be so Remember a quitter never wins and a winner never quits Last those who say they can and those who say they can not are both correct
