Andersonville A Story Of Rebel Military Prisons:

This Was Andersonville Pvt. John McElroy, 2018-02-27 THE TRUE STORY OF ANDERSONVILLE MILITARY PRISON AS TOLD IN THE PERSONAL RECOLLECTIONS OF JOHN MCELROY SOMETIME PRIVATE CO L 16TH ILLINOIS CAVALRY Aged only 16 years old in 1863 John McElroy enlisted with the Union Army as a private in Company L of the 16th Illinois Cavalry regiment and was captured the following year near Jonesville Virginia by Confederate cavalrymen McElroy was first sent to Richmond then to Andersonville in February 1864 In October 1864 he was moved to Savannah and within about six weeks was sent to the new prison in Millen Georgia Camp Lawton thence to several other camps before the war ended and his release from captivity In 1879 John McElroy wrote Andersonville A Story of Rebel Military Prisons a non fiction work based on his experiences during his fifteen month incarceration It quickly became a bestseller This is the edited 1957 version by Roy Meredith richly illustrated throughout by Arthur C Butts IV

Andersonville: A Story of Rebel Military Prisons (Complete) John McElroy, 2020-09-28 The fifth part of a century almost has sped with the flight of time since the outbreak of the Slaveholder s Rebellion against the United States The young men of to day were then babes in their cradles or if more than that too young to be appalled by the terror of the times Those now graduating from our schools of learning to be teachers of youth and leaders of public thought if they are ever prepared to teach the history of the war for the Union so as to render adequate honor to its martyrs and heroes and at the same time impress the obvious moral to be drawn from it must derive their knowledge from authors who can each one say of the thrilling story he is spared to tell All of which I saw and part of which I was The writer is honored with the privilege of introducing to the reader a volume written by an author who was an actor and a sufferer in the scenes he has so vividly and faithfully described and sent forth to the public by a publisher whose literary contributions in support of the loyal cause entitle him to the highest appreciation Both author and publisher have had an honorable and efficient part in the great struggle and are therefore worthy to hand down to the future a record of the perils encountered and the sufferings endured by patriotic soldiers in the prisons of the enemy The publisher at the beginning of the war entered with zeal and ardor upon the work of raising a company of men intending to lead them to the field Prevented from carrying out this design his energies were directed to a more effective service His famous Nasby Letters exposed the absurd and sophistical argumentations of rebels and their sympathisers in such broad attractive and admirable burlesque as to direct against them the loud long laughter of a world The unique and telling satire of these papers became a power and inspiration to our armies in the field and to their anxious friends at home more than equal to the might of whole battalions poured in upon the enemy An athlete in logic may lay an error writhing at his feet and after all it may recover to do great mischief But the sharp wit of the humorist drives it before the world s derision into shame and everlasting contempt These letters were read and shouted over gleefully at every camp fire in the Union Army and eagerly devoured by crowds of listeners when mails were opened at country post offices Other humorists were content when they simply amused the reader

but Nasby's jests were arguments they had a meaning they were suggested by the necessities and emergencies of the Nation's peril and written to support with all earnestness a most sacred cause The author when very young engaged in journalistic work until the drum of the recruiting officer called him to join the ranks of his country's defenders As the reader is told he was made a prisoner He took with him into the terrible prison enclosure not only a brave vigorous youthful spirit but invaluable habits of mind and thought for storing up the incidents and experiences of his prison life As a journalist he had acquired the habit of noticing and memorizing every striking or thrilling incident and the experiences of his prison life were adapted to enstamp themselves indelibly on both feeling and memory He speaks from personal experience and from the standpoint of tender and complete sympathy with those of his comrades who suffered more than he did himself Of his qualifications the writer of these introductory words need not speak The sketches themselves testify to his ability with such force that no commendation is required Andersonville a Story of Rebel Military Prisons John John McElroy, 2017-03-25
