Angels on My Wings Roger Vizi, 2001-11-29 Transcon s flight three seven departed from Los Angeles bound for JFK airport in New York Sometime after they reached their cruising altitude the first officer noticed the pressure dropping in the cargo hold below Neither the captain nor the first officer was aware that a partially filled propane tank had been loaded into the cargo hold and was about to explode Mayday mayday Transcon flight three seven Rapid decompression explosion onboard Descending to one zero thousand Clear all traffic below These words echoed into the headset of the flight controllers at Lincoln Center and a desperate feeling came over them as they watched flight three seven descend on their radar screen

All the Angels in the Bible Herbert Lockyer, 2015-02-27 Your faith will be powerfully strengthened as you gain insight into the nature of angels and discover the purpose of their ministry Begun by the beloved preacher Herbert Lockyer Sr and finished by his son this clear detailed and eye opening volume examines every angelic encounter in the Bible 192 pages softcover from Hendrickson *Together for A Season* Gillian Ambrose, 2009 The third volume of the Together for a Season series helping church leaders use the Common Worship seasonal liturgy in an all age context This volume provides all age service resources for the Agricultural Year All Saints Remembrance Sunday and major saints days Foundations of Systematics and Biogeography David M. Williams, Malte C. Ebach, 2007-11-19 Anyone interested in comparative biology or the history of science will find this myth busting work genuinely fascinating It draws attention to the seminal studies and important advances that have shaped systematic and biogeographic thinking It traces concepts in homology and classification from the 19th century to the present through the provision of a unique anthology of scientific writings from Goethe Agassiz Owen Naef Zangerl and Nelson among others **All the Doctrines of the Bible** Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer s approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith *Jesus—The Portrait and Inscription of God* George Paki, If we want to understand what God was telling John about the future we need to first understand what John understood Professor Jon Paulien Loma Linda University USA In *Jesus The Portrait and Inscription of God* the author pours his years of research into addressing the issue that Jon Paulien highlights Paki builds an intriguing case for a dual focused method of interpreting Revelation He uses this method to show i that Revelation was written primarily to John and his initial audience ii that the same prophecies also speak to us with clarity and force iii Then he wonders if God intentionally used the same material to speak to an audience then and now When this method is applied to Revelation 1 3 the text does come alive Deep theological truths and nuggets extracted are way too many to recount in a single book In fact this fresh approach minimizes most of our interpretive issues and enhances our understanding and appreciation of the apocalyptic Christ Some of our leading scholars agree It is well written well laid out and has good solid biblical insights Good solid evidence for Revelation s high Christology Dr Kayle de Waal Avondale College

Australia I found it thoughtful helpful and interesting to read The style of presentation is also very attractive Professor Jon Paulien Loma Linda University USA You have clearly shown the relationship between Revelation 13 with the rest of Revelation Dr Ross Cole Avondale College Australia The method used its interpretations and the theological insights are corroborated by other Johannine books the New Testament the Old Testament and the Spirit of Prophecy This volume will enhance the libraries of academics and laypeople alike Calvin's Catholic Christology Edward David Willis, 2022-07-11

Summa Theologiae, Prima Pars: Volume 3, Human Beings and God's Governance of Creation, QQ 75-119

Thomas Aquinas, Thomas de Vio Cajetan, 2023-06-23 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers *The Annotated Paragraph Bible*, 1853 Angels, God's Ministering Spirits James E. Smith, Ph.D., 2016-12-07 A survey of the biblical material relating to angels and their roles in the lives of believers throughout history Images of Illness in the Gospel of Luke Annette Weissenrieder, 2003 Analyzing the illness related terminology of the Gospel against the background of classical medical texts Annette Weissenrieder examines the degree to which ancient medical knowledge was incorporated into the healing narratives of the Gospel of Luke Thus her work focuses on the crossroads of theology and medical history Her primary reference is the Corpus Hippocraticum supplemented by the writings of Soranus Empedocles and Caelius Aurelianus She also examines Jewish sources in the light of these secular medical texts The premise of the study is the constructivist concept that has been developed in the context of writing the history of the body that there is no objective view of the sick body Every description of the body is formed by the cultural norms of a particular society and society's culture influences the way in which any given illness is seen In investigating concepts of medicine prevalent in antiquity Annette Weissenrieder brings to light the cultural parameters of perception specific to Luke She deals with gender specific images of illness as well as with those associated with impurity or demonic

possession Her analysis confirms that the concepts of illness used by the Lucan author were profoundly characteristic of his time She demonstrates how he uses these concepts to make his central message plausible the presence of divine reality in the human sphere which can be experienced by both the physical body and the social body Christmas Treasures ,1975
