Angels Versus Virgins:

The virgin Mother according to theology. Transl Jean Baptiste Petitalot,1889 *The Virgin Mary According to the Gospel* Jean Jacques Auguste Nicolas,1876 **The Christian virgin in her family and in the world** Christian virgin,1890
La Vierge Marie Et Le Plan Divin. The Virgin Mary According to the Gospel. ... Translated by the Vicomtesse de L. S. J., and Sister M. Christopher. ... Edited by ... H. Collins Jean Jacques Auguste NICOLAS,1876 *Meditations and Discourses on the Sublime Truths and Important Duties of Christianity* Alban Butler,1840 **The Trinity. Angels. Devils. Death. The soul. The Christian scheme. Appendices** Adolphe Napoléon Didron,1886 **The Ante-Nicene Fathers** ,1885 1905 printing Bishop Wendelin J Nold collection *Venice's Virgin Mother* Berwyn Lewis,2018-07-06 In 17th century Venice a young woman discovers she s pregnant and comes up with a perfect alibi She claims she s had an immaculate conception and will have a virgin birth but this doesn t stop her family from banishing her to a convent Like many convents of the time it is home to one of Venice s worst kept secrets Behind its forbidding looking walls veils and vows do nothing to curb the appetites of the lusty residents including some men Disguised as nuns they enjoy the lavish banquets and balls of convent life with their lovers liberated women who have the freedom to compose music plays and poetry often penned with male pseudonyms and performed to audiences from all walks of life The Doge supports a Venetian virgin birth It will rock religious boats and gondolas strike a blow against Rome s monopoly on virgin births boost Venetian Empire trade and bring the world to Venice s doorstep It isn t the first virgin birth The twin founders of Rome were born of the mythical Rhea Silvia a virgin It had to be just a matter of time before another one popped up and this time it s in Venice and the Doge is all for it Too dangerous to reveal until now this satire and rollicking comedy tells how women struggled with families husbands and other enemies and were dominated by an overzealous church bent on robbing them of their birthright It is also a useful virgin birth DIY and includes tips on creating miracles It speaks to today s world where religion and other superstitions continue to oppress so many and cause so much suffering *Musings of a Thelemite* Frater Da'Neos,2003-03-22 Although there are a few books on Thelema in print they are mostly by Crowley himself Some have said it is time for a contemporary to write on Thelema To those Da Neos has answered For him the story did not end in 1947 and he represents the forefront of the new Thelemic movement Da Neos is that first brave soul who dares write where others keep silent He is anything but timid or apologetic Although he looks at Thelema in light of the 21st century he stays true to the original ideas of Crowley Da Neos writes about how he came to write this book in spiritual terms He describes how he came to dedicate himself to a spiritual life and the various systems of belief that he examined and lived through before coming to Thelema It is a story of becoming including the ramifications for holding certain ideas He is the first Thelemic author to fully write about the Three Aeons a subject that has been left in pitiful shape for many years Da Neos examines the current of spiritual development that has advanced through history and how this spiritual current has been materialized through exoteric belief systems Da Neos

describes what conversation with the Holy Guardian Angel is truly like Even Crowley himself only hints at it He describes in a gripping narrative of how he came to find his True Self and the results of that finding This is only a small sampling of the many areas Da Neos covers He goes on to write in detail on Thelemic ritual the entire development of the Kabbala examinations of the true force behind Christianity and much more *Christian Iconography: The Trinity. Angels. Devils. Death. The soul. The Christian scheme. Appendices* Adolphe Napoléon Didron,1886

The Virgin Mary in Late Medieval and Early Modern English Literature and Popular Culture Gary Waller,2011-01-20 This book was first published in 2011 The Virgin Mary was one of the most powerful images of the Middle Ages central to people s experience of Christianity During the Reformation however many images of the Virgin were destroyed as Protestantism rejected the way the medieval Church over valued and sexualized Mary Although increasingly marginalized in Protestant thought and practice her traces and surprising transformations continued to haunt early modern England Combining historical analysis and contemporary theory including issues raised by psychoanalysis and feminist theology Gary Waller examines the literature theology and popular culture associated with Mary in the transition between late medieval and early modern England He contrasts a variety of pre Reformation texts and events including popular mariology poetry tales drama pilgrimage and the emerging New Learning with later sixteenth century ruins songs ballads Petrarchan poetry the works of Shakespeare and other texts where the Virgin s presence or influence sometimes surprisingly can be found Resurrecting Parts Taylor

Petrey,2015-07-03 During the late second and early third centuries C E the resurrection became a central question for intellectual commentary with increasingly tense divisions between those who interpreted the resurrection as a bodily experience and those who did not The relationship between the resurrected person and their mortal flesh was also a key point of discussion especially in regards to sexual desires body parts and practices Early Christians struggled to articulate how and why these bodily features related to the imagined resurrected self The problems posed by the resurrection thus provoked theological analysis of the mortal body sexual desire and gender Resurrecting Parts is the first study to examine the place of gender and sexuality in early Christian debates on the nature of resurrection investigating how the resurrected body has been interpreted by writers of this period in order to address the nature of sexuality and sexual difference In particular Petrey considers the instability of early Christian attempts to separate maleness and femaleness Bodily parts commonly signified sexual difference yet it was widely thought that future resurrected bodies would not experience desire or reproduction In the absence of sexuality this insistence on difference became difficult to maintain To achieve a common shared identity and status for the resurrected body that nevertheless preserved sexual difference treatises on the resurrection found it necessary to explain how and in what way these parts would be transformed in the resurrection shedding all associations with sexual desires acts and reproduction Exploring a range of early Christian sources from the Greek and Latin fathers to the authors of the Nag Hammadi writings Resurrecting Parts is a fascinating resource for scholars
