Prepared by: [Your Name]

School Name: [Your Company Name]

I. Objective

Students will understand and be able to apply basic addition and subtraction skills within 100. They will also start to learn the concepts of even and odd numbers.

II. Materials

- Whiteboard and markers
- Math workbooks
- Number cards (1-100)
- Counters or small objects (e.g., beans, buttons)
- Chart paper
- Pencils and erasers
- Timer
- Educational apps or online games for technology integration

III. Warm-Up Activity (10 Minutes)

1. Begin with a quick review of counting by 2s, 5s, and 10s. Write the sequences on the board and have students recite them together.
2. Play a quick number game. Call out random numbers between 1 and 100 and have students identify whether these numbers are even or odd.
3. Use number cards to prompt students to come to the board and place the card in the correct column labeled "Even" or "Odd."

Educational Psychology Angela M. O'Donnell, Johnmarshall Reeve, Jeffrey K. Smith, 2011-12-06 Teachers help students learn develop and realize their potential To become successful in their craft teachers need to learn how to establish high quality relationships with their students and they need to learn how to implement instructional strategies that promote students learning development and potential To prepare pre service teachers for the profession the study of educational psychology can help them to better understand their students and better understand their process of teaching Such is the twofold purpose of Educational Psychology to help pre service teachers understand their future students better and to help them understand all aspects of the teaching learning situation The pursuit of these two purposes leads to the ultimate goal of this text namely to help pre service teachers become increasingly able to promote student learning development and potential when it becomes their turn to step into the classroom and take full time responsibility for their own classes

Resources in Education ,1999-10 *Transformative Social and Emotional Learning* Madora Soutter, Alessandra E. Ward, Chu N. Ly, 2025 Transformative social and emotional learning TSEL is a way of teaching that sees social and emotional learning and social justice as inextricably linked This practical guide will support teachers in centering TSEL in their work and in cultivating a commitment to justice with young children in developmentally appropriate ways The authors provide stories perspectives and concrete tools including planning resources for teachers tips on integrating TSEL into different content areas research on how to foster positive racial identity development support for integrating transformative play into the classroom a roadmap for teacher educators and advice on how to navigate barriers to doing this work The text provides specific examples that demonstrate how to implement complex concepts in accessible ways Chapters are designed to be practical though not overly prescriptive so teachers can readily adapt takeaways to their own practice Book Features Social and emotional learning grounded in equity and social justice goals Social and emotional learning is so important in all classrooms This book shows that it must be asset based contextualized in sociocultural awareness grounded in critical pedagogies and approached with an equity and social justice lens Concrete tools for a complex concept TSEL as a concept can be difficult to access for classroom teachers who are already creating so much content This book provides concrete tools and specific examples of how to implement TSEL without oversimplifying this work A foundation of social justice for young children Social justice work has traditionally focused more on adolescents This book provides tools for building a developmentally appropriate foundation for doing this work with younger changemakers pre K grade 6 This important resource is for every educator invested in carrying out social and emotional learning that challenges injustice and honors all of the different identities that our students hold Scott Seider professor Boston College *Restoring Students' Innate Power* Louise El Yaafouri, 2022-03-31 This book explores the effects of trauma on newcomer students and presents stress mitigating strategies that empower these multilingual students as they transition to a new environment Diverse insights and

experiences bring high powered learning spaces to life However the cultural backgrounds of newcomer students and their families can be very different from the dominant norms of the new community resulting in misalignments that constitute a persistent challenge In addition the process of arriving can exacerbate stress Entering a new school or classroom means situating oneself within a new context of language culture community and shifting personal identities This transition shock contributes to a sense of diminished power In serving these students we can't afford to leave transition shock out of our conversations about trauma We must not only stitch together pieces of culturally responsive practice and trauma informed care but also become practitioners of stress mitigating strategies that empower newcomer students We must focus instruction on our students unique identities We must restore their power In *Restoring Students Innate Power* newcomer educator and cultural competency expert Louise El Yaafouri presents An understanding of transition shock and how stress and trauma affect recent arrivers The four pillars of transition shock and how they affect learning How students see themselves and how the cultural aspects of their identities inform teachers work in mitigating transition shock How social emotional learning links to trauma informed practice This book isn't exclusively about trauma it's about restoring power The distinction is critical Focusing on the trauma or traumatic event roots us in the past Restoration of power moves us forward

Teaching Music to Students with Differences and Disabilities Alice M. Hammel, Roberta L. Yee, 2024-11-19

Teaching Music to Students with Differences and Disabilities A Practical Resource Second Edition helps music educators prepare plan and assess the musical progress of all students especially those with differences and disabilities They will learn through the vignettes and lesson plans how to create musical experiences that are adaptable for every student Walking by Faith Grade 2 Parish David Haas, 2002-03

HELPING STUDENTS WITH DISABILITIES DEVELOP SOCIAL SKILLS, ACADEMIC LANGUAGE AND LITERACY THROUGH LITERATURE STORIES, VIGNETTES, AND OTHER ACTIVITIES Duran, Elva, Gonzales, Rachael, Park, Hyun-Sook, 2016-12-05 This social skills manual will present to teachers and parents lesson plans complete with literature stories vignettes and other activities to help students with disabilities develop social skills in all their environments The general skills and social skills at work are presented within detailed lesson plans that place emphasis on the vocabulary and the different lesson plan objectives that are essential to each lesson These generic skills will enhance an individual's ability to access social contexts in which healthy engagement can occur and improve the ability to cope with challenging tasks that are encountered in daily living The diversity of instructional techniques used to facilitate content mastery include guided and differentiated instruction modeling facilitating analysis and reflection of situations involving the appropriate and inappropriate use of key skills presentation and discussion of positive and negative consequences of each skill independent learning and connecting lessons learned to the central idea of the skills being taught These strategies are arranged in a logical order wherein the material mastered via one technique builds upon prior ones and provides a context for the next one in the instructional sequence In most cases it seems highly likely that

students who are led through this sequence could not fail to acquire important information about understanding and applying these skills to their own lives This important new resource will enable professionals to be more effective in assisting students with disabilities in negotiating the many challenges in making the transition from school to the world of adult living *At a Glance 2nd Edition* Viv East,Linda Evans,2006-12-05 Everyone working with children should be aware of different special needs and how they can impact on learning There is no shortage of information out there but there is a shortage of time in which to research and read up on what teachers need to know This concise guide provides a wealth of information and advice in an easy to read quick to dip into format **The Star-Spangled Banner--Reader's Theater Script & Fluency Lesson**

Stephanie Macceca,2014-03-01 This reader s theater script builds fluency through oral reading The creative script captures students interest so they will want to practice and perform Included is a fluency lesson and approximate reading levels for the script roles *Introduction to TESOL* Keith W Brooks,2015-03 This is one of the most intense books a newcomer to ELL will ever purchase Completely updated for Praxis 0361 test takers What you will learn in this book is taught by hundreds of TESOL schools around the world What is more is that you will learn about how to teach as a regular school teacher The glossary assessment and methodologies sections are what you will learn from university programs and not a short 4 week crash course This book explains the different areas you need to learn to be an effective teacher Lesson Plans Book Selection Whiteboard styles Classroom Management Methodologies and Theories More than 40 Grammar Vocabulary Reading Writing Speaking Listening Assessments More than 8 different assessment types Culture Glossary More than 400 terms Written by Keith Brooks a licensed US teacher from Maine and who has been an ELL teacher for nearly eight years in Korea Cambodia and Saipan

The Top Books of the Year Anger Lesson Plans 2nd Grade The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Anger Lesson Plans 2nd Grade : Colleen Hoover "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Anger Lesson Plans 2nd Grade : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Anger Lesson Plans 2nd Grade : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
