Avoiding love and entanglements has been easy for Hank Barringer since losing his wife and young son to influenza An outrider on the wagon train his only job is to keep the mail order brides and passengers safe until they reach their destination Then he meets Eliza Tanner She s different than other women Seemingly fearless her feisty manner disrupts his well ordered idea of how a woman should behave He doesn t approve so why can t he stop thinking about her Eliza has secrets and a past that could destroy any chance she has of building a new life When an opportunity arises to join a wagon

train full of mail order brides headed to Oregon City she flees from her old life Little does she know that danger from her past stalks her or that a killer s obsession will be strong enough to follow her to the other side of the country When Eliza s past catches up with her she ll need a real hero a man who can accept the truth and love her despite the circumstances of her past

Colorado Bride Cynthia Woolf, 2017-02-06 Emily Loring survived the last few years as a governess to a rich family s children But when the lord of the house can t keep his hands to himself she s left with no option but to risk everything as a mail order bride Raised in a New York orphanage she s always dreamed of a husband and children of her own but even that small dream always felt out of reach The city is all she s ever known but the promise of a family a place to call home drives her to risk everything and head for the wilds of the Colorado Territory and the arms of a stranger Ben Logan fell in love once to a city girl who left him at the altar to run off with another man A mail order bride appears to be the answer to his need for a wife to warm his bed as long as she loves the country life as he does He doesn t need much but he won t risk his heart again When Emily arrives her curves tempt him nearly as much as her smile But his ex fianc e is back and determined to have Ben for herself even if it means murder
