MoneyMaking Movies John Howard Reid,2006-06-01 Basically there are three measures of success in the cinema First off are pictures like The Crowd and Applause that achieve rave reviews and even go on to win awards but don t recover their negative costs Then there are the movies the critics hate but the public enjoys All three versions of Back Street for instance Finally come the pictures everyone loves like From Here To Eternity or Sunset Boulevard In the annals of success in Hollywood s Golden Age one name stands out above all others Cecil B DeMille His famous pictures reviewed here include both versions of The Buccaneer The Crusades Sign of the Cross The Story of Dr Wassell and Union Pacific But the book also notes a DeMille B movie that tied up a fair amount of money but proved so unpopular it was released in some territories as a support The book also covers some of Hollywood s other disastrous failures including the M G M movie that cost over 4 million to make and returned virtually nothing
