HM Revenue & Customs accounts 2010-11 Great Britain: Parliament: House of Commons: Committee of Public Accounts, 2011-12-20 The Commons Public Accounts Committee publishes its 61st Report of the Session which on the basis of evidence from the Cabinet Office and HM Revenue and Customs HMRC examined tax disputes At 31 March 2011 HM Revenue Customs was seeking to resolve tax issues valued at over 25 billion with large companies some of which included disputes over outstanding tax In this report the Committee expresses concern about how the Department handled some cases involving large settlements and that there needs to be proper separation between the negotiation of tax settlements and the authorization of such settlements The Committee also states that HMRC made matters worse by trying to avoid scrutiny of these settlements keeping confidential the details of specific settlements with large companies This effects Parliament's ability to establish value for money compounded further by imprecise inconsistent and potentially misleading answers given by senior departmental officials including the Permanent Secretary for Tax in particular over his evidence on his relationship with Goldman Sachs in facilitating a settlement with the company over their tax dispute HMRC governance processes in these matters were inconsistent and it has now appointed two new Commissioners with tax expertise and plans to introduce a new assessor role to permit independent review of large settlements before they are finalised The Committee further states that it saw little evidence of personal accountability within the Department and that a perception has developed that large companies are treated more favourably receiving preferential treatment compared to small businesses and individuals

Better Than Best Practice Adam Lefstein, Julia Snell, 2013-11-12 This is a brand new multi media resource to support new and experienced primary school teachers develop skills of critical reflection in order to improve teaching and learning An integrated DVD and textbook present a range of innovative case studies comprising video clips of real teachers in the classroom together with context and narrative step by step guidance through key issues and commentary and debate from experts and professionals in the field WorldCat *In a Different Key* John Donvan, Caren Zucker, 2016-01-19 The stunning history of autism as it has been discovered and felt by parents children and doctors Nearly seventy five years ago Donald

Triplett of Forest Mississippi became the first child diagnosed with autism In a Different Key tells the extraordinary story of the world his diagnosis created a riveting human drama that takes us across continents and through some of the great social movements of the twentieth century The history of autism is above all the story of families fighting for a place in the world for their children It is the story of women like Ruth Sullivan who rebelled against a medical establishment that blamed refrigerator mothers for causing autism of fathers who pushed scientists to dig harder for treatments of parents who forced schools to accept their children But many others played starring roles too doctors like Leo Kanner who pioneered our understanding of autism scientists who sparred over how to treat autism and those with autism like Temple Grandin and Ari Ne eman who explained their inner worlds and championed a philosophy of neurodiversity This is also a story of fierce controversy from the question of whether there is truly an autism epidemic and whether vaccines played a part in it to scandals involving facilitated communication one of many treatments that have proved to be blind alleys And there are dark turns too we learn about experimenters feeding LSD to children with autism or shocking them with electricity to change their behavior and the authors reveal for the first time that Hans Asperger discoverer of the syndrome named after him may have cooperated with the Nazis in sending disabled children to their deaths By turns intimate and panoramic In a Different Key takes us on a journey from an era when families were shamed and children were condemned to institutions to one in which parents and people with autism push not simply for inclusion but for a new understanding of autism as difference rather than disability **The Sikh Review** ,2009 **Ministry of Defence Annual Report and Accounts 2012-13** Great Britain:

Parliament: House of Commons: Defence Committee,2013-03-07 For the sixth successive year the Ministry of Defence Accounts were qualified The Qualifications covered non compliance with international reporting standards on the treatment of some contracts lack of audit evidence on the valuation of inventory worth some 3 billion and of capital spares worth some 7 billion and on the regularity of the Accounts because of the failure to obtain approval for the remuneration package of the Chief of Defence Materiel The MoD was also five months late in submitting its audited accounts to Parliament The National Audit Office had found errors in its sample examination of accruals and so the MoD decided to resolve these problems before submitting the accounts The MoD said they did not have the necessary expertise to manage the financial complexity that featured in the implementation of the Strategic Defence and Security Review so sought assistance The MoD should ensure its people have the right skills to deal with all financial problems so that they do not need to bring in expensive external accountants There is also concern about the MoD s reluctance to estimate the full costs of its operations in Afghanistan Iraq and Libya The NAO did not consider that the MoD has adequate information especially with respect to recording the cost of its activities and outputs to run its business effectively The MoD should set out its commitment to improving its management information It is also vital that defence spending remains at more than 2 per cent of GDP in line with the UK s NATO commitment *Culturally and Socially Responsible Assessment* Catherine S. Taylor,Susan Bobbitt Nolen,2022 This book

addresses a problem that affects the work of all educators how traditional methods of assessment undermine the capacity of schools to serve students with diverse cultural and social backgrounds and identities Anchored in a commonsense notion of validity this book explains how current K 12 assessment practices are grounded in the language experiences and values of the dominant White culture It presents a timely review of research on bias in classroom and large scale assessments as well as research on how students level of engagement influences their performances The author recommends practices that can improve the validity of students assessment performances by minimizing sources of bias using culturally responsive assessment tools and adopting strategies likely to increase students engagement with assessment tasks This practical resource provides subject specific approaches for improving the cultural and social relevance of assessment tools and offers guidance for evaluating existing assessment instruments for bias language complexity and accessibility issues Book Features Research based recommendations for improving assessment fairness validity and cultural social relevance Practices that have been shown to improve the effectiveness of classroom assessments in supporting student learning Concrete examples of how to create culturally relevant assessment tasks that target valued learning goals in language arts mathematics social studies and science classrooms Appendixes that provide tools educators can use to improve grading practices

Management of Natural Resources, Sustainable Development and Ecological Hazards III C. A. Brebbia, S. S. Zubir, 2012 This book contains the proceedings of the third in a now biennial series organized by the Wessex Institute of Technology around the urgent need to determine solutions regarding sustainable development before our planet reaches a point of irreversibility The aggressive search for new sources of energy and materials the rapid rate at which natural resources are being consumed and the destructiveness of the resulting pollution are all having a negative impact on the planet that needs to be stopped if not reversed As at the first two participants at this conference will take stock of our situation and try to facilitate constructive principles and policies for a way forward something that can only be done by transdisciplinary cooperation Thus papers will examine ethical political and social issues health safety and risk lessons from nature planning and development and new technologies

Russia, the West, and Military Intervention Roy Allison, 2013-05-09 Russia has been embroiled in bitter disputes with major Western powers over high profile military interventions over Kosovo 1999 Iraq 2003 Georgia 2008 and even Libya 2011 which had a UN Security Council mandate Moscow and the West reached much more agreement over the Gulf War 1990 and intervention in Afghanistan 2001 but these cases are exceptional This interdisciplinary study explores the persistent differences between Russian and Western leaders about most Western led military campaigns and about Russia's own use of force in the CIS region What does this tell us about emerging norms on the use of force in humanitarian crises How and why has there been such controversy over the legal justifications for these military operations Has greater consensus been possible over force in global counterterrorism What do all these controversies tell us about international rule making More specifically how can we understand Russian political and

diplomatic responses during international crises around major interventions This book argues that Russia has been influential in these debates on norms and law as a permanent United Nations Security Council member and as a major military power Moscow's approach to these questions has reflected distinctive and quite entrenched attitudes to international order and sovereignty as well as a preoccupation with its own status The book draws deeply on Russian sources to show how these attitudes are expressed among the Russian leadership and the political elite This raises challenging questions about the ability of Russia and Western states to cooperate in emerging crises in Syria Iran or elsewhere and about Russia's role in international society
