English grammar rules and usage is specially designed for learners of English as a second or foreign language. This book is intended for undergraduate students who have little or no previous background in English grammar; students who need an introduction to English grammar as part of their curriculum in English or as preparation for teaching the language. This book can be used as a self-study book. Each grammatical rule is explained in simple English with several examples. This book is written in the classroom language so it can be used by a teacher to explain English grammar in the classroom. The relation between the concepts of English grammar and correct use of English is stressed in this book. Grammar can be learnt easily; it can be fun, so stop worrying, pick up this book and move ahead. This book will help you like a teacher's guide. The features of this book include: A comprehensive index which makes it easy to use. Simple step-by-step explanation of grammatical rules and patterns. Practical examples. Practical exercises. List of collective nouns. List of adjectives formed from nouns. List of collocations with prepositions. Lesson on spelling rules. The Oldman's English Lessons book is a recently launched book of Sakha Global Books' publication to hold good command over English language. This is an excellent resource for all students who wish to learn, write and speak English language from zero level. Perfect for self-study, the series follows a guided learning approach that gives students access to a full answer key with model answers. Developed by experienced IELTS tutors, the series takes into account the specific language needs of learners at this level. A lower-level exam practice book designed to improve the level of students who plan to take the IELTS test in the future. **American English Idioms** is a book that teaches essential and foundational idioms used in the USA. It is designed to be an easy-to-use guide, especially for ESL students.
