

QUIZ #5 LESSON 5: History of Life on Earth

C) auto-catalytic RNA molecules.
 D) oligopeptides located within protobionts.

A Cloud Across the Pacific Thomas A. Metzger, 2005 This book uncovers the basic contradictions between contemporary China's complex ideological marketplace and Western liberalism It describes and puts into critical context three versions of Western liberalism those of F A Hayek John Rawls and John Dunn three versions of Chinese liberalism those of Yang Kuo shu Li Qiang and Ambrose Y C King two versions of modern Confucian humanism those of T ang Ch n i and Henry K H Woo and various versions of Chinese Marxism including Kao Li k o s in the early 1990s and some of the recent New Left writings It shows that all these Chinese political

theories not only Chinese Marxism depend on a number of premises at odds with Western liberalism especially epistemological optimism and an extravagantly optimistic concept of political practicability It also argues that not only these Chinese theories but also Western liberalism have failed to offer adequate normative guidelines for the improvement of political life This study combines a deep understanding of the history of Chinese thought with a strong grasp of modern philosophical trends and an innovative methodology for the description and criticism of political theories It will be useful to students of modern Chinese intellectual history of political philosophy of political culture of the comparative study of cultures and of U S Chinese relations Modern China Studies ,1978 **Ideological Conflict and the Rule of Law in**
