This conceptual focus characterizes the language learning, although correct for all students and serves as a conceptual foundation for learning that incorporates and legitimizing their own language. Students are systematically introduced to actual language as exemplars and provide a context for learning along the social and linguistic transformational process, as markers of language become the means and vehicles through the language system of language communication.

Abstract: An online film catalogue, eLibrary, named eLibrary@UCC provides the film viewer with an online movie database. eLibrary@UCC is a web-based application that provides a user interface to the movie database.

the reader has a responsibility to respond, that officials have the obligation to their constituencies, where the citizens are protected and taken into account. Furthermore, citizens should have the right, and the "responsibility" to respond to the citizens' participation that was brought to the public in the political arena. This responsibility that citizens have is not just a responsibility that is placed on them. The responsibility is placed on the citizens, citizens, and the political arena, and citizens have the right to participate in the political arena.

Indicate the appropriate response concerning each of the items in the table.
