Stiffs, Union Maids, Reds, and Riffraff Tom Zaniello, 2018-05-31 The revised and expanded edition of *Working Stiffs* Union Maids Reds and Riffraff offers 350 titles compared to the original edition's 150. The new book is global in scope with examples of labor films from around the world. Viewers can turn to this comprehensive annotated guide for films about unions or labor organizations, labor history, working class life where an economic factor is significant, political movements if they are tied closely to organized labor, production or the struggle between labor and capital from a top down either entrepreneurial or managerial perspective. Each entry includes a critical commentary, production data, cast list, MPAA rating, if any, suggested related films, annotated references to books and websites for further reading and information about availability of films for rental and or purchase. This edition addresses both historical and contemporary films and features many more documentaries and hard to find information about agitprop and union financed films. *Working Stiffs Union Maids Reds and Riffraff: An Expanded Guide to Films about Labor* features fifty-eight production stills and frame enlargements.
