Restorative Power Development for the Believer Rev. Leonard C. Walker Th.D., 2023-02-21 It is the focus of God to reconcile 2 Corinthians 5 19 the world to himself I understand reconciliation is to bring back to clear up differences between disagreeing parties We look around today in our communities cities states and nations and we as believers witness the confusion among nonbelievers and some believers In many instances the confusion is identical in both camps believers and nonbelievers alike This should not be the case confusion and distress should not control the emotions of the believer for God gives the believer a peace of mind that surpasses all understanding Philippians 4 7 In this reading the believer will be reintroduced or in some cases introduced to living this Christian life as Jesus our Lord and Savior meant us to live it I pray the hands which touch this book will allow the Holy Spirit to guide them as each page is turned and the truth of God s word when read will revive fill restore the heart and mind of that believer

Mike's New Reality Buddy Helms, 2011-03 Michael Evans had grown up in a Christian home with God fearing parents and grandparents who were constantly preaching at him but he would have none of it He was smarter than that He was the only one in his family that had gone past the twelfth grade He had finished high school and gone to the state university and was certain that he understood the world He couldn t see how anyone could believe in a loving God with all the violence hatred disease cruelty and crime in the world He believed in facing reality but several things were about to rock his world and challenge his beliefs and his understanding of the world

Married to Christ Milton J Fletcher, 2012-10-01

Examine the foundation of union with Christs death and resurrection as a source of salvation Explain the idea that as ordinary death alters legal relationships death in Christ alters the believers legal obligations The penalty that the law exacts is death but those who have died through union with Christ have already suffered this penalty the law has no authority to condemn them further Discuss the law of marriage when one partner dies the law governing the relationship ceases to apply and remarriage is not sin Convey that believers rose to new life through union with Christ in the resurrection and are free to belong to Christ for the purpose of bearing fruit to God Illustrate that the old Adamic marriage to the law ceased to exist believers are no longer under law but are released from it Describe the new marriage an entry in to a new life dominated by

the Holy Spirit who gives new power to fulfill the holy laws of God

Revealing My Story Dr. Christine Landry Elliott, 2022-04-08 Christine started life as a church girl who abandoned her religious upbringing She ended up a high school dropout drug addict criminal and victim of sexual assault Her crooked path continued when she landed in prison Through it all her mother prayed The power of her mother's faith interceded on Christine's behalf when she had lost all hope Revealing My Story is told with total transparency Part memoir and part testimony about the saving grace of God this book will inspire others who have sinned Do not lose hope because you too can be born again Christine's painful story is also intended to inspire and encourage mothers whose children have strayed away from their Christian values Christine's mother held onto the horns of the altar fasting wailing and travailing on her behalf Her mother's prayers and unconditional love transformed Christine's life by the grace of God Don't give up No matter how difficult don't stop praying The Lord is listening and ready to save you from yourself

The Qumran Con Raphael Golb, 2024-06-17 Why did Professor Norman Golb of the Oriental Institute need to be silenced Why did a small clique monopolize access and publication rights to the Dead Sea Scrolls for more than four decades Why does the truth matter about where the scrolls came from In this documented memoir Raphael Golb exposes the inside story of the Dead Sea Scrolls controversy and its scandals He describes how he himself became involved in the controversy and ended up fighting to stay out of Rikers Island For over seventy years the true historical significance of the scrolls has been obscured by the institutional influence of a threatened scholarly establishment Never were the stakes made clearer than when powerful Manhattan DA Robert Morgenthau took action to protect the reputation of well connected scroll figures both in New York and across the United States Raphael Golb's memoir of his journey through the system in a case that almost reached the Supreme Court poses the question of where we stand with the First Amendment today While reigniting the great debate over who wrote the scrolls Golb's account also sheds light on broader issues involving academic revolutions censorship and how easily power can be abused in a democratic society Institutions and museums international conferences and books may ostracize the scholar who transmits a new message A crisis emerges Eventually the new paradigm gradually gains adherents and replaces the old Joel Kraemer 2012 essay on Norman Golb
