Secrets From A Herbalist's Garden Jo Dunbar,2022-09-05 A beautifully illustrated guide to providing safe herbal remedies for common health conditions while restoring our comforting connection to the year s natural rhythm During the pandemic surgeries closed their doors to their patients and told them to self isolate and take paracetamol People became frightened and felt abandoned to cope with a virus against which there seemed no answer from mainstream medicine Since then there has been a groundswell of interest in plant medicine and this book will help readers feel empowered and able to help themselves heal and thrive using tinctures teas and other recipes but without having to train as a medical herbalist Amongst the alluring recipes are Menopause Tea Horse Chestnut Gel and Brain Spice Condiments and chapters include Nourishing Your Adrenals Herbs for the Heart and Muscles and Joints There s a huge amount of wisdom here garnered from Jo s 22 years of practising herbalism There is nothing as magical as picking a weed from under a hedge brewing it in the cauldron of your teapot and using that potion to restore health It s everyday alchemy and it transforms us from the base metal of material gratification into the gold of recognizing the exquisite power of nature Secrets from a Herbalist s Garden meets the pull to recover from illness or to alleviate a long standing condition as well as the yearning for a new way of life where growing and harvesting herbs with the seasons is adopted as a new holistic lifestyle You might consult the text with a specific ailment or a plant to harvest but it would also guide you to a more spiritual and seasonal lifestyle Motherhood Trials & Blessings: Hope for Couples Dealing with Morning Sickness Ruth Auker,2013-04-01 Many women suffer from morning sickness during their pregnancy Compiled in this book are the personal stories of eighty women s experiences with morning sickness You will learn what other women have tried what worked for them and what did not work Be encouraged that you are not alone 212pp Masthof Press 2013 **Heart Disease No More!** , Vaccine-Nation Andreas Moritz,2011-03 Author of a dozen books including the bestselling Timeless Secrets of Rejuvenation and Health and Cancer is Not a Disease Andreas Moritz takes on yet another controversial subject this time to expose the Vaccine Myth In Vaccine nation Moritz unravels the mother of all vaccine lies that vaccines are safe and they prevent disease Furthermore he reveals undeniable scientific proof that vaccines are actually implicated in most common diseases today This book reveals Statistical evidence that vaccines never actually eradicated infectious diseases including polio How childhood vaccines flu shots and other kinds of inoculations systemically destroy the body s immune system The massive increase of allergies Eczema Arthritis Asthma Autism Acid reflux Cancer Diabetes infant and childhood Kidney disease Miscarriages many Neurological and Autoimmune diseases and Sudden Infant Death Syndrome SIDS is largely due to vaccines Why vaccinated children have

120% more Asthma 317% more ADHD 185% more Neurologic disorders and 146% more Autism than those not vaccinated The shocking fact that most outbreaks of infectious diseases occur largely among those who are fully vaccinated Vaccines lack long term safety testing and most vaccine side effects are never reported to protect vaccine makers from liability suits For many decades we have all been led to believe that vaccines have eradicated the most dreaded infectious diseases including polio although to this day there is no scientific evidence to support this theory On the other hand indisputable scientific data reveal that childhood vaccines flu shots and other kinds of inoculations are responsible for the dramatic decline of natural immunity among millions of children adults and members of the older population With each new shot received the immune system becomes weaker and permanently damaged thereby laying the ground for potentially debilitating illnesses to develop in the future Reaching deep into the vaccine cartel Moritz uncovers hard facts to prove that profit not public health is the sole motive behind the vaccine pushers chicanery In this book he also digs up the real reasons behind the 2009 swine flu outbreak or the pandemic that didn't pan out In Vaccine nation Moritz minces no words while unraveling these and other skeletons in Big Pharma's closet and cautions you not to buy into the hollow claims of vaccine makers In his characteristic style Moritz offers a gentle and practical approach to a disease free life which rests on the fulcrum of the mind body connection cleansing of the body and naturally healthy living
