Answers To The Night Hunters:

The Night Hunter Russ Williams, 2009-07-31 This novel by Russ Williams presents an apocalyptic view of a small town turned upside down by a natural disaster. Action and human drama come together to force members of this shaken community to live or die while facing horrific challenges, natural and supernatural. There's a doctor, a lawyer, a priest, a saloon keeper, a sheriff, a mayor, lovers, young and old, as well as the rich and the poor. All must band together to survive. Here is a preview: The president's voice crackled over the battery-powered radio. My fellow Americans, I regret bearing such terrible news, but most of our nation is buried beneath snow left by this monumental blizzard. I have declared a state of emergency and martial law and moved the Congress and executive branch to a provisional government center in Jacksonville, Florida. Much of the rest of our country is covered with fifty or more feet of snow. I have ordered the U.S. armed services to begin digging out our large cities, but I ask those of you in outlying areas to take heart and have courage. We will try to rescue you as soon as we can and return local and national services to normal whenever possible. Until then, I ask you please remain calm and conserve your resources. Help is on the way. I repeat, help is on the way. But what about us? the girl screamed. We're trapped here in the middle of nowhere. How long will it take them to reach us, this far up in the mountains? Weeks? Months? Are we all going to die? A small band of people gathered around the radio and tried to give her comfort, but they had no answers. All they could do was wait and hope. So begins their time of terror in *The Night Hunter*, a mysterious tale of adventure and romance in an isolated village haunted by the unknown. To survive, these people have to struggle against the winter forces of nature gone wild. Yet the ones who live must fight the ultimate battle against their own weaknesses and desires as they come face to face with The Night Hunter.

Night Hunter David McNeece, 2014-03-18 What if it was more than just the wind or a simple bump in the night? When a deranged killer leaves a string of victims from coast to coast with no apparent connection or motive, those inspecting the case begin to wonder when does the hunt become personal? From Broken Knob, Virginia, the private investigation team called Searchlight are haunted by a ghost from the past as a tip from a cold case leads inspector Jerry Dale to resurrect a murder that he could never solve while memories of a lost sister force Darlene Michaels to face the guilt, anger, and her desire for vengeance as she questions why do bad things happen to good people? Together they track a multi-personality serial killer who sees his work as a game of trophies and culls who need to be removed from the human herd. Without motive or pattern, he ruthlessly eliminates his prey. If you too have wondered why bad things happen to good people, *Night Hunter* might help you to put some things in perspective. This adrenaline-paced thriller will have you turning the pages to find out what happens next until you come to its decidedly non-storybook ending.
