Ross,2021 Say the words evangelical worship to anyone in the United States even if they are not particularly religious and a picture will likely spring to mind unbidden a mass of white middle class worshippers with eyes closed faces tilted upward and hands raised to the sky Yet despite the centrality of this image many scholars have underestimated evangelical worship as little more than a manipulative effort to arouse devotional exhilaration It is frequently dismissed as a reiteration of nineteenth century revivalism or a derivative imitation of secular entertainment three Christian rock songs and a spiritual TED talk But by failing to engage this worship seriously we miss vital insights into a form of Protestantism that exerts widespread influence in the United States and around the world *Evangelical Worship* offers a new way forward in the study of American evangelical Christianity Weaving together insights from American religious history and liturgical studies and drawing on extensive fieldwork in seven congregations Melanie C Ross brings contemporary evangelical worship to life She argues that corporate worship is not a peripheral extra tacked on to a fully formed spiritual political and cultural movement but rather the crucible through which congregations forge argue over and enact their unique contributions to the American mosaic known as evangelicalism **Children's Ministry on Purpose** Steven J.

Adams,2017-03-28 Many children s ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet despite good intentions many children s ministries today are not effective They lack purpose and intentionality A twenty five year veteran of children s ministry in the local church pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present

For a New Generation Lee D. Kricher, 2016-08-02 A New Generation Church is a church with attendees whose average age is at least as young as the average age of the community in which the church exists Any church can become a New Generation Church that reaches and continues to reach the next generation The Psalmist writes We will not hide these truths from our children we will tell the next generation about the glorious deeds of the Lord about his power and his mighty wonders Psalm 78:4 NLT No Christian would purposely hide the timeless truths of Christianity from the next generation But often we do not because of the substance of our church but because of the approach of our church For A New Generation is not about changing your church's statement of faith or core beliefs It is about evaluating and changing as needed your church's programs ministries and practices in order to more effectively connect with and stay connected with the next generation Written for both church leaders and members For a New Generation presents 5 practical strategies that will lay a foundation for a church to thrive for generations to come It is based on the assumption that accepting the status quo is the greatest threat to your church's core mission and perhaps to the long term survival of your church

Hidden Bible Truths in Plain View Windell Gillis, 2019-01-22 Jesus Christ and the apostles along with Polycarp Ignatius and Hermes carried the true Word of God deep into the first church age Yet Satan attempted to infiltrate the true path of the Word with help from unbelievers who were more than willing to do his dirty work Because of this the structural religious imprints left by ancient pagan civilization began to take a toll on the religious denominational world in such a subtle manner that it has gone unnoticed In Hidden Bible Truths in Plain View author Windell Gillis explains how since the Bible is the only real and perfect truth Christian history can only be real and true if it agrees completely with the Bible This history does Messengers to the seven church ages who are revealed here were able to turn the people back to God in each age if only for a season With Philo having perverted the definition of the Logos which changed the way people worshipped with respect to the Godhead and with so much confusion in the religious world as proven by the forty thousand different denominational groups today something must happen And it did The revelation of Malachi 4 and Revelation 10:7 concerning the mystery of God is unveiled in Hidden Bible Truths in Plain View to the shock of Christians worldwide
