Animal Husbandry A. Kumar, 2006 Contents Animal Husbandry is intended primarily as a text for the basic course in Animal Industries and Farm Animals as the case may be It should prove useful as a reference book for those involved in livestock production This book is not an encyclopaedia Rather it is a concise and up to date collection of those facts and judgements that can give a beginning student a wellrounded and clear picture of the scope importance and operation of our great livestock packing and dairy industries Since many students major in other fields and make this their principal contact with a very important field of knowledge an effort has been made to confine the material to the essential facts and to maintain student interest by the liberal use of pictures tables and charts
