

ANNE FRANK

Study

Anne Frank

Annelies Marie Frank was born on June 12, 1929 in Frankfurt, Germany to Otto and Edith Frank. Anne had an older sister, Margot.

At the time that she was born, Germany was in trouble, people had lost their jobs and were becoming very poor.

Adolf Hitler, the leader of the Nazi party, was in charge of the country. There was a lot of unrest, especially against the Jews, so when Anne was four family moved to Amsterdam, in The Netherlands. Otto set up a company selling pectin – an additive used in jam – as well as spices.

Anne and her sister attended the local school and were enjoying life in Holland.
