Another Point Of View:

Another Point of View Lisa Jardine, 2012-02-29 I want to use the moment as a springboard for some big ideas I want to use the past and present to stimulate and challenge the listener and seduce them into thinking differently Lisa Jardine Provocative and inspirational Lisa Jardine is one of our pre eminent thinkers A leading academic she is a polymath who embraces both the arts and the sciences with equal passion and has that rare gift of being able to make her subject and her thinking accessible to a mainstream audience Lisa presents A Point of View on Radio 4 on Sunday mornings replacing Alistair Cooke s Letter From America Another Point of View is a collection of twenty two of the hugely popular and critically acclaimed talks from the programme on subjects as wide ranging and topical as commuting national identity Christmas Latin knife crime the mortgage crisis and the credit crunch The book contains drawings by Nick Wadley A Different Point of View Misao Dean, 1991 Misao Dean argues convincingly that Duncan s point of view was largely informed by nineteenth century Canadian idealism Making excellent use of the latest insights of feminist criticism and post colonial literary theory Dean explores the double marginalisation of Duncan as both a colonial and a woman She establishes gender as an important element in the form and content of Duncan s novels and feminism as a significant influence on Duncan s point of view

Temporal Points of View Margarita Vázquez Campos, Antonio Manuel Liz Gutiérrez, 2015-08-14 This book seeks to arrive at a better understanding of the relationships between the objective and subjective aspects of time It discusses the existence of fluent time a controversial concept in many areas from philosophy to physics Fluent time is understood as directional time with a past a present and a future We experience fluent time in our lives and we adopt a temporal perspective in our ways of knowing and acting Nevertheless the existence of fluent time has been debated for both philosophical and scientific reasons thus creating a rift between the subjective and objective aspects of time Starting from the basic notion of points of view or perspectives this book explores the relationships between objective or external time as it has been conceptualized by science and subjective or internal time which is involved in our lived experiences It establishes a general framework encompassing the nature structure and mode of existence of points of view in which the objective and subjective aspects of time can be integrated The book mainly addresses researchers and postgraduates in philosophy and logic Additionally it offers inspiration for physicists and computer scientists involved in the modeling and simulation of complex behaviors for which the representation of internal time should be considered together with the notion of objective external time **Strategic**

Perspective Taher Memon with Salim Parvez,2018-07-10 Another Perspective provides a unique point of view on the revamping and development of Pakistan cricket With a focus on a critical time period 1977 to 1998 left mostly unexplored by the body of cricket historians the publication seeks to delve deeper into the behind the scenes of cricket not only as a popular sport but as one of the most expansive entertainment industries of Pakistan A communications industry veteran Taher Memon stepped into the sporting sphere with a profile in advertising marketing and communication with a multinational and over a period spanning two decades left his own indelible mark on the cricket industry Encouraged by Salim Parvez cricket author and historian he rose to the challenge of illuminating a phase of cricket history which featured among many firsts of sports sponsorship in Pakistan the memorable 1987 and 1996 World Cup events co hosted by the Pakistan Cricket Board Taher takes the reader through this previously uncharted territory illustrating his account with factual evidence built on documents photographs and video footage from his private archive Through the lens of Pakistani culture and business one can experience the social and patriotic dimensions of cricket and its proliferation across the nation In a manner that is both authentic and captivating he enables the reader to navigate the rapidly changing and challenging environment during this transformative time in cricket history This first hand account examines the driving forces behind the growth of cricket in Pakistan and the tireless efforts put in by a single sponsor which lifted the game to a higher level Bringing light to operations that typically occupy our periphery Another Perspective expands the scope of cricket **Starting from Scratch** John

Matthews,2010-10-28 This book compares the beginning of symbolic thought in human infancy with that of our close primate relatives the chimpanzees Drawing upon his years of detailed observations Matthews offers an in depth analysis and interpretation of chimp behaviour to present an unprecedented account of the beginnings of symbolic thought The implications for our understanding of symbolism language art and education are enormous as are those about our origins and our place within nature **Handbook of Imagination and Mental Simulation** Keith D. Markman,William M. P.

Klein,Julie A. Suhr,2012-09-10 Over the past thirty years and particularly within the last ten years researchers in the areas of social psychology cognitive psychology clinical psychology and neuroscience have been examining fascinating questions regarding the nature of imagination and mental simulation the imagination and generation of alternative realities Some of these researchers have focused on the specific processes that occur in the brain when an individual is mentally simulating an action or forming a mental image whereas others have focused on the consequences of mental simulation processes for affect cognition motivation and behavior This Handbook provides a novel and stimulating integration of work on imagination and

mental simulation from a variety of perspectives It is the first broad based volume to integrate specific sub areas such as mental imagery imagination thought flow narrative transportation fantasizing and counterfactual thinking which have until now been treated by researchers as disparate and orthogonal lines of inquiry As such the volume enlightens psychologists to the notion that a wide range of mental simulation phenomena may actually share a commonality of underlying processes
