NRL Review, 2015 **Geocache of the Rainbow Bull** Ozmioz Mak, 2006-09 The Rainbow Bull reminds me of the management scoundrels of the Colorado Fuel Iron Company I love how Eve matures and finally confronts him Mother Jones Eve is a new age hero in the tradition of the old west Shane When I started this geocache I never expected to get a college degree Listening to faculty argue amongst themselves sure beats getting an online degree with the University of Phoenix Eve Tillman Eve is a new age feminist who is respectful and just gets things done However what was with all of H L Mencken's adolescent rantings Any man who lives his entire life in his parent's house has no right spouting off like that Susan B Anthony It's about time someone reinvented fascism for the 21st century Move over Mussolini move over Archie Bunker the Rainbow Bull is a character we can all relate to Tokyo Rose When is someone going to write a story where I'm the main character And Susan B you know you love me H L Mencken It's refreshing to find a young lady succeed by listening to the advice of her elders although I found the part about end of the world cults a bit disturbing Reverend John Nelson Darby Oh grow up most people are losers All great leaders know nothing would get accomplished without a little bull sprinkled in here and there Rainbow Bull What's more American than rebelling against bull Just like the Wizard of Oz was the master of humbug of the 20th century the Rainbow Bull is the master of bull in the 21st and strangely enough both characters were outwitted by a young lady Mark Twain **Report summaries** United States.
