- Style: Neutral.
- Content: 1 Introduce the topic and mention some other ways you can get fit apart from playing sports in a team.
- 2 Discuss some advantages of exercising with other people, for example it may be more fun, or you may be more motivated if you don't want to let your team mates down.
- 3 Talk about how convenient it is – if you go to a gym instead, for example, you can turn up whenever you like, but in a team, you have to meet at a certain time.
- 4 Discuss your own idea – it could be that it's easier to make new friends if you play a team sport so you're more likely to keep doing it. Or it could be that if you exercise alone, you can push yourself harder and improve your fitness faster.
- 5 Conclude with a brief summary of your points and your overall opinion.
