Madison Local School District Advances in Superintendent Search — Madison, OH

The Madison Local School District, in collaboration with the Educational Service Center of the Western Reserve (ESC), is making significant progress in its search for the next Superintendent.

The position has generated strong interest across the region and Ohio. This past week, the district Board of Education completed a thorough analysis of all applicants. Candidate selection for interviews was based on the experiences and skills identified by the Board of Education and validated by six diverse stakeholder groups, including parents, seniors, community leaders, administrative staff, business leaders and school staff.

“We are fortunate to have many experienced school leaders applying to be our next Superintendent,” said Board of Education President, Shawn Douglas.

Among the most important qualifications were experience as a recent Superintendent or central office administrator who has held varying roles and responsibilities in their school leadership careers. In addition, selection criteria was based on demonstrated experiences engaging the business community, civic organizations, community leaders, school support groups, and the broader community to promote the district.

First-round interviews will be completed by the end of February, with second-round interviews and the final selection scheduled for early March. “The Board of Education remains committed to finding a leader who will continue to drive excellence in education for Madison Local Schools,” said Douglas.

“The Educational Services Center of the Western Reserve has a wealth of experience assisting local school districts in recruitment and selection of Superintendents and Treasurers,” said Douglas.
