Alibaba group has been written by the Brazilian researchers Matheus Felipe Pereira de Souza and Elói Martins Senhoras It is the 31st didactic book of the Communication the internationalization process of e-commerce and a case study of the Alibaba Group *Underdog Entrepreneurs* Horatio M. Morgan, 2019-09-09 Entrepreneurship is challenging whatever your background in the current science and technology driven Western world However unlike traditionally dominant native born white male entrepreneurs in Silicon Valley and elsewhere those who face greater hurdles blocking their path to success primarily come from marginalized and minority groups both real and self-perceived including immigrants refugees women blacks Hispanics and Asians Despite their potential to innovate and add value in the global marketplace they persistently

struggle or fail because they lack the requisite code breaking skills This book helps these underdog entrepreneurs acquire those skills with actionable advice to achieve and sustain success It proposes a framework that pinpoints what the author calls the outsider problem that is situations in which individuals are primarily disadvantaged because they lack access to networks that facilitate superior learning and performance outcomes He completes the framework by incorporating personal qualities and strategies that can solve this problem Along the way Morgan distills insights and evidence from multiple fields combined with a fresh look at the familiar stories of initially marginalized business leaders such as Indra Nooyi Jack Ma Hilary Devey and Mike Lazaridis He also shares the less known but equally inspiring stories of others This book will help readers thrive while transcending their underdog status

Engaging Social Media in China Guobin Yang,Wei

Wang,2021-05-01 Introducing the concept of state sponsored platformization this volume shows the complexity behind the central role the party state plays in shaping social media platforms The party state increasingly penetrates commercial social media while aspiring to turn its own media agencies into platforms Yet state sponsored platformization does not necessarily produce the Chinese Communist Party s desired outcomes Citizens continue to appropriate social media for creative public engagement at the same time that more people are managing their online settings to reduce or refuse connection inducing new forms of crafted resistance to hyper social media connectivity The wide ranging essays presented here explore the mobile radio service Ximalaya FM Alibaba s evolution into a multi platform ecosystem livestreaming platforms in the United States and China the role of Twitter in Trump s North Korea diplomacy user generated content in the news media the emergence of new social agents mediating between state and society social media art projects Chinese and US scientists use of social media and reluctance to engage with WeChat Ultimately readers will find that the ten chapters in this volume contribute significant new research and insights to the fast growing scholarship on social media in China at a time when online communication is increasingly constrained by international struggles over political control and privacy issues

The Economic Lives of Platforms Anne Mette Thorhauge,Andreas Lindegaard Gregersen,Eva Iris Otto,Jacob Ørmen,Morten Axel Pedersen,2024-06-26 This interdisciplinary collection rethinks the political economy of the digital market by asking what came before platforms and suggesting what might come after them By unpacking the concept of platform economies into locally embedded variations of digital markets the book identifies what is new about contemporary platforms and what is characteristic of wider historical social and economic currents The diverse team of authors employ various analytical approaches including in depth ethnographic studies and theoretical and analytical reconceptualizations of platforms and the industries they encompass Tapping into current themes including the decolonisation of the internet this book offers a timely assessment of the implications of emerging reconfigurations between technology information society and markets

Too Many Bosses, Too Few Leaders Rajeev Peshawaria,2011-05-10 How did Alan Mulally an outsider to the auto industry lead such a spectacular turnaround at Ford How did Morgan Stanley CEO John Mack keep his company from imploding even as

Lehman Brothers collapsed What is it that enables such extraordinary leaders to galvanize their talents and energy as well as the talents and energy of those who work for them to achieve superior performance no matter what challenges they face Rajeev Peshawaria has spent more than twenty years working alongside top executives at Fortune 500 companies and training them in leadership including as Global Director of Leadership Development programs at American Express as Chief Learning Officer at both Morgan Stanley and Coca Cola and as one of the founding members of the renowned Goldman Sachs leadership development program known as Pine Street He knows precisely what makes the difference between those who are simply bosses and those who are superior leaders and between those who continue to rise to the top levels and those who get stuck along the way In this lively and remarkably empowering book Peshawaria offers readers the opportunity to experience the highest level of leadership training available in the world Introducing the three core principles he has observed are the foundation of the best leadership that great leaders clearly define their purpose and values that nobody can motivate another person because everyone comes premotivated and that a leader s job is not to directly produce results but to create the conditions that will harness the energy of others he details his unique and proven program for achieving leadership excellence Sharing a wealth of illuminating stories from those of Mulally s achievement at Ford and Mack s at Morgan Stanley to how Harvey Golub and Ken Chenault successfully restored American Express to long term sustainable growth how Neville Isdell turned the Coca Cola Company around and the continuing prowess of Jeff Bezos in growing Amazon com he first reveals how extraordinary leaders marshal and sustain the level of energy in themselves that is required and how they enlist a core group of proficient co leaders He then outlines how to harness the energy and talents of those at all levels of an organization igniting their motivation by following his RED guidelines for addressing their core needs concerning their Role their work Environment and their career Development Finally he introduces his unique Brains Bones and Nerves framework for developing a clear strategy for competitive advantage the Brains crafting an optimal organizational structure the Bones and fostering a highly cooperative and motivated company culture the Nerves Filled with specific tips about the vital questions to ask and simple but powerful steps to follow Too Many Bosses Too Few Leaders is a manager s essential tool kit for long term superior performance
