collection provides a representative set of theatrical performances popular on the nineteenth century British stage All are newly edited critical editions that account for variant sources reflecting the process of rehearsal licensing and production Detailed introductions and extensive notes explain the texts relationship to repertoires the circulating discourses of intelligibility that constantly recombine in performance The plays address the topical concerns of slavery imperial conquest capitalism interculturalism uprisings at home and abroad modernist aesthetic innovation and the celebration of collective identities Adaptations from novels travelogues and other plays are discussed along with the theatrical history that sustained these works on the stage Film Nation James R Russo, 2021-08-22 Notable writers on literature and culture who

occasionally penned opinion pieces on the movies prior to World War II include Clifton Fadiman Mark Van Doren Lincoln Kirstein Edmund Wilson Louise Bogan and Paul Goodman All of these critics wrote seriously about things other than the movies Indeed the early decades of film criticism drew many moonlighters who tried their hand at it for a few years then moved on to their preferred metier And such was the case with William Troy 1903 1961 Troy a distinguished literary critic whose posthumous Selected Essays won a National Book Award in 1968 was also a much loved professor at Bennington College the New School and New York University Troy was the film critic of The Nation from 1933 to 1935 To that post he brought an educated almost professional tone which he sometimes used for comic effect He approached each piece of film

criticism as an occasion for some larger essayistic rumination Indeed his feeling for the carpentry of the short review is superb as the reader will detect in his pieces on such important films as Bu uel s L age d Or Lang s M Duvivier s Poil de Carotte Eisenstein s Que Viva M xico Dreyer s The Passion of Joan of Arc Cocteau s Blood of a Poet Pudovkin s Mother Flaherty s Man of Aran Renoir s Madame Bovary and Ford s The Informer William Troy was thus one of Americas first full time professional film critics if not the best of the lot He deserves some of the attention heretofore reserved for another important early critic James Agee who himself began writing movie reviews for The Nation in 1942 Published in conjunction with The Bookman William Troy on Literature and Criticism 1927 1950 ISBN 978 1 78976 172 6 Film Nation is essential reading for cinephiles Inclusion of a substantive index makes the work highly attractive for classroom adoption in the field of cinema studies
