All I Want For Christmas:

All I Want for Christmas Paul Alan Fahey, 2015-12-07 Thinking with his head and not his heart is an occupational hazard for Professor Leland Hansen. He does fine as a researcher dealing with statistics and experimental designs and guiding doctoral students through the dissertation process. But affairs of the heart are another matter. Leland teaches at a small religious college in New England and the anxiety of losing his position over his lifestyle eventually causes a painful breakup with the one true love of his life, Cliff Emerson. When Cliff calls a few weeks before Christmas to announce he's getting married, Leland accuses him of dredging up the past and their conversation ends badly. As time grows short, Leland sets out to win Cliff back, though he fears he may already be too late. Will they reunite at Christmas, or will Cliff be lost to him forever?

All I Want For Christmas Ann Roth, 2007-11-01 What Exactly Are You Asking Santa For? It's A Secret. How Do You Spell Mommy? Nothing is more precious to Ryan Chase than five-year-old Maggie. She's the reason the widower moved to Halo Island in the first place: he wanted to get away from his hectic work-all-hours job so he could spend more time with his daughter. Ryan will do anything to make sure Maggie is protected from hurt, which means no attachments to anyone who comes into their lives and plans to leave. As soon as the holidays are over, Tina Morrell is going back to Seattle to her busy job and hopefully a big promotion. Her career has always been the most important thing in Tina's life, that is, until she meets the adorable Maggie and her incredibly hunky father. But Ryan won't let Tina get close, even though his daughter seems to be bringing them together. As the spirit of Christmas descends over the island, it's the wishes of one little girl that may be granted.
