Letters and Documents Søren Kierkegaard, 1978 This volume provides the first English translation of all the known correspondence to and from Søren Kierkegaard including a number of his letters in draft form and papers pertaining to his life and death These fascinating documents offer new access to the character and lifework of the gifted philosopher theologian and psychologist Kierkegaard speaks often and openly about his desire to correspond and the resulting desire to write for a greater audience He consciously recognizes letter writing as an opportunity to practice composition Unlike most correspondence Kierkegaard's letters expressly do not require a reply he insists on this as a principle while he clearly and earnestly yearns for a response to his efforts Among his other principles are purposefulness directness and the equality of a letter to a visit with a friend Kierkegaard preferred the former to the latter Perhaps more than anything else in print Kierkegaard's *Letters and Documents* reveal his love affair with the written word Memoirs,

Journal, and Correspondence of Thomas Moore: Memoirs of myself. Letters, 1793-1806. Duel with Jeffrey. Letters, 1807-1813
Thomas Moore, 1853 **Letters and Papers from Prison** Dietrich Bonhoeffer, Isabel Best, John W. de Gruchy, Lisa E.

Dahill, 2010-06-01 Despite Dietrich Bonhoeffer's earlier theological achievements and writings it was his correspondence and notes from prison that electrified the postwar world six years after his death in 1945 The materials gathered and selected by his friend Eberhard Bethge in *Letters and Papers from Prison* not only brought Bonhoeffer to a wide and appreciative readership especially in North America they also introduced to a broad readership his novel and exciting ideas of religionless Christianity his open and honest theological appraisal of Christian doctrines and his sturdy if sorely tried faith in face of uncertainty and doubt This splendid volume in many ways the capstone of the Dietrich Bonhoeffer Works is the first unabridged collection of Bonhoeffer's 1943-1945 prison letters and theological writings Here are over 200 documents that include extensive correspondence with his family and Eberhard Bethge much of it in English for the first time as well as his theological notes and his prison poems The volume offers an illuminating introduction by editor John de Gruchy and an historical Afterword by the editors of the original German volume Christian Gremmels Eberhard Bethge and Renate Bethge

admiral ... Nelson, with notes by sir N.H. Nicolas Horatio Nelson (1st visct.), 1846 **The Scarlett Letters** John Wiley, 2014-10-08 One month after her novel *Gone With the Wind* was published Margaret Mitchell sold the movie rights for fifty thousand dollars Fearful of what the studio might do to her story I wouldn't put it beyond Hollywood to have Scarlett seduce General Sherman she joked the author washed her hands of involvement with the film However driven by a maternal

interest in her literary firstborn and compelled by her Southern manners to answer every fan letter she received Mitchell was unable to stay aloof for long In this collection of her letters about the 1939 motion picture classic readers have a front row seat as the author watches the Dream Factory at work learning the ins and outs of filmmaking and discovering the peculiarities of a movie crazed public Her ability to weave a story so evident in *Gone With the Wind* makes for delightful reading in her correspondence with a who's who of Hollywood from producer David O Selznick director George Cukor and screenwriter Sidney Howard to cast members Clark Gable Vivien Leigh Leslie Howard Olivia de Havilland and Hattie McDaniel Mitchell also wrote to thousands of others aspiring actresses eager to play Scarlett O'Hara fellow Southerners hopeful of seeing their homes or their grandmother's dress used in the film rabid movie fans determined that their favorite star be cast and creators of songs dolls and Scarlett panties who were convinced the author was their ticket to fame and fortune During the film's production she corrected erring journalists and the producer's over the top publicist who fed the gossip mills accuracy be damned Once the movie finished she struggled to deal with friends and strangers alike who fought and trampled little children and connived and broke the ties of lifelong friendship to get tickets to the premiere But through it all she retained her sense of humor Recounting an acquaintance's denial of the rumor that the author herself was going to play Scarlett Mitchell noted he ungallantly stated that I was something like fifty years too old for the part After receiving numerous letters and phone calls from the studio about Belle Watling's accent the author related her father was convulsed at the idea of someone telephoning from New York to discover how the madam of a Confederate bordello talked And in a chatty letter to Gable after the premiere Mitchell coyly admitted being feminine enough to be quite charmed by his statement to the press that she was fascinating but added Even my best friends look at me in a speculative way probably wondering what they overlooked that your sharp eyes saw As *Gone With the Wind* marks its seventy fifth anniversary on the silver screen these letters edited by Mitchell historian John Wiley Jr offer a fresh look at the most popular motion picture of all time through the eyes of the woman who gave birth to Scarlett

The Letters of Robert Duncan and Denise Levertov Robert Edward Duncan, Robert J. Bertholf, Albert Gelpi, 2004 This volume presents the complete correspondence between two of the most important and influential American poets of the postwar period The almost 500 letters range widely over the poetry scene and the issues that made the period so lively and productive But what gives the exchange its special personal and literary resonance is the sense of spiritual affinity and shared conviction about the power of the visionary imagination Duncan and Levertov explore these matters in rich detail until under the stress of dealing with the Vietnam War in poetry they discover deep seated differences in the religious and ethical convictions underlying their politics and poetic stance The issues that drew them together and those that drove them apart create a powerful personal drama with far reaching historical and cultural significance The editors have provided a critical Introduction full notes a chronology and a glossary of names
