Your pebble, which has chosen YOU as its guardian and protector, will guide you throughout your life. When you are feeling lonely and afraid, hold your pebble. Strength will suddenly appear. When you are at a crossroads, hold your pebble. The answers you are looking for will mysteriously appear out of the silence. God will whisper to you, from the secret, heavenly realms of the angels. Clouds will disappear.

When you are filled with love and happiness, hold your pebble. Give thanks for all the wonderful things appearing in your world. But most of all, remember your time at this school. Give thanks for the people who have crossed your path. Clasp your pebble in your hand. Hold it. Touch it. Feel it. And always remember this: There is only ONE pebble in the world like yours – it's precious, special and unique. Just like you – so always remember that! And if you forget, hold your pebble – it will remind you of just how **SPECIAL** you are.

GREAT, INEXPENSIVE IDEA FOR A LEAVERS' PRESENT

This idea is my own, I've used it in Y6 many times. It's so simple – It can be used in secondary schools too. If you're after a 'present' for your leavers, this is great. Go to a beach, collect different pebbles of similar size for your class. Look for nice ones.

(Don't buy any of those 'shiny' ones from a shop – the natural look is always the best.)

I've written all the words on the cards. It's not from any book – it's all my own work.

Pile the pebbles up in the middle of the classroom in the last week, just before the children leave. They then 'choose' a pebble to take home. I used to laminate the above card and on the back, I'd always scribble a personal message and a head and shoulder cartoon sketch of the pupil, such as:

(All in normal handwriting!)

Rebecca – a fantastic, sporty girl who's always smiling! You're such a popular girl and a brilliant netball player too! Go for it in your new school. Success awaits you!! Love, Mr.Delaney ...

(You know the type of thing!)

It's interesting that years and years later, I still bump into children who I've taught who tell me they've still got their pebble and card in a special place – and it reminds them of our school ...

Thanks, PD

Amazing Pebble 2007 Marking Guidance Levels Introduction

In today's digital age, the availability of Amazing Pebble 2007 Marking Guidance Levels books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Amazing Pebble 2007 Marking Guidance Levels books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Amazing Pebble 2007 Marking Guidance Levels books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Amazing Pebble 2007 Marking Guidance Levels versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Amazing Pebble 2007 Marking Guidance Levels books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Amazing Pebble 2007 Marking Guidance Levels books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Amazing Pebble 2007 Marking Guidance Levels books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Amazing Pebble 2007 Marking Guidance Levels books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Amazing Pebble 2007 Marking Guidance Levels books and manuals for download and embark on your journey of knowledge?
