Horror That Haunts Us Karrà Shimabukuro, Wickham Clayton, 2024-02-06 Horror s pleasures fundamentally hinge on looking backward either on destabilising trauma or as a period of comfort and happiness which is undermined by threat However this stretches beyond the scares on our screens to the consumption and criticism of the monsters of our past The horror films of our youth can be locations of psychological and social trauma or the happy place we go back to for comfort when our lives become unsettled Horror That Haunts Us Nostalgia Revisionism and Trauma in Contemporary American Horror is a collection of essays that brings together multiple theoretical and critical approaches to consider the way popular horror films from the last fifty years communicate embody and rework our view of the past Whether we look at our current relationship to the scary movies of decades ago as personal or cultural memory the way

historical and sociopolitical events and frameworks especially traumas reframe the way we look at our pasts or even the way recent horror films and video games look back at our past and the past of the genre itself through a filter of experience and history this collection will show the close relationship between nostalgia and popular horror These essays also demonstrate a range of unique and diverse points of view from both established and emerging scholars on the subject of horror and the past Edited by seasoned horror experts Karr Shimabukuro and Wickham Clayton Horror That Haunts Us is a book with the aim of examining why we return again and again to certain popular horror films either as remakes or reboots or as the basis for pastiche and homage

Pirate Ghost Ships Drac Von Stoller, During the year 1629 a pirate ship called the Salty Dog sailed the seven seas killing and looting every ship in its path The Salty Dog's reign of

terror lasted for seven years before it was sunk by another ruthless bunch of scallywags manning another pirate ship called the Scallywag Captain de Plank and his men felt confident that their ship the Scallywag would be able to rule the seven seas longer than the Salty Dog but just as the Salty Dog met its fate so shall the Scallywag The Scallywag s reign of terror on the seven seas only lasted a year longer than the Salty Dog s did but not because another pirate ship sunk it but because the Scallywag s ship was poorly maintained so when the next fierce storm came upon them it was a definite sink Off With Their Heads! Drac Von Stoller, Queen Victoria took being a queen to the head literally Anyone she did not like would be sent to the chopping block where she became famous for Off with their heads and off they went but one day that would all change when she yelled out Off with his head When the guillotine rope was being released and the blade came down it stopped within inches of the man s neck Then there was silence from the queen and spectators Everyone s jaw dropped because the queen was always successful at every execution The queen immediately got up from her chair and raced over to ask her henchmen why they failed The queen yelled out in anger Do it again So the henchmen examined the guillotine and got it ready again The queen sat back down in her chair and said No one leaves my execution with their heads still attached to their body The queen again yelled out Off with his head Again the blade came down inches from his neck and stopped This infuriated the queen and she would stop at nothing to get this man back on the chopping block The queen had to release the man because of the botched execution and scheduled the execution the next morning The queen was laughed at by the spectators for failing at what she was famous for Jokes were said around town about the queen s botched execution but the queen refused to let one botched execution break her spirit The queen loved to look at her castle from a distance and see all the severed heads hanging over the castle walls from her executions this made her feel inferior to anyone **Zombie War** Drac Von Stoller,2025-09-28 Chapter 1 The Descent into Madness The fluorescent lights in Laboratory 7 flickered with an ominous hum as Dr Marcus Frances stared at the rejection letter with trembling hands The paper was crisp clinical just like the words that shattered his life s work into a thousand pieces We regret to inform you that your submission for the Pulitzer Prize in Scientific Achievement has been declined The letter crumpled in his white knuckled fist as a low growl escaped his throat Twenty years Twenty years of sleepless nights failed experiments and social isolation all for nothing The cure for the Marburg Ebola hybrid virus his masterpiece was dismissed as incomplete research by a panel of bureaucrats who wouldn t know groundbreaking science if it bit them in their pompous faces The laboratory around him seemed to pulse with malevolent energy Glass beakers caught the dying light casting twisted shadows across the walls lined with specimen jars Inside those jars suspended in formaldehyde were the remnants of his early test subjects rats then rabbits then other things Things that shouldn t have survived as long as they did Frances stumbled toward the locked cabinet where he kept his most dangerous creations His reflection in the steel surface was gaunt hollow eyed a man consumed by obsession If the world wouldn t recognize his genius then perhaps it was time to show them what true power looked like With shaking hands he
