Social Equity in a Post-Roe America Lorenda A. Naylor, Heather Wyatt-Nichol, 2024-04-30 Despite hundreds of federal laws and U S Supreme Court decisions prohibiting discrimination based on sex and race American women and people of color continue to face pervasive individual and structural discrimination Women often lack equal pay for equal work affordable childcare and paid family medical leave Following the overturning of Roe vs Wade safe legal abortion has become inaccessible in approximately half the country disproportionately impacting poor women Women and people of color are underrepresented in elected offices at the federal and state levels and the voting rights of people of color continue to be eroded Employing a public administration framework *Social Equity in a Post Roe America* documents the scope and breadth of inequality in the United States linking social equity to sex race and the rule of law This insightful and provocative new book examines U S Supreme Court decisions and federal statutes across four public policy domains that increasingly influence U S democracy and impact the lives of American women These policy domains consist of political representation which includes citizenship and voting rights contraception abortion and employment *Social Equity in a Post Roe America* offers policy recommendations to increase equitable access and equal opportunity for women and people of color It is required reading for all students of public administration public policy and political science as well as for engaged citizens

Sexualizing Cancer Laura Mamo, 2023-12-20 The virus that changed how we think about cancer and its culprits and the vaccine that changed how we talk about sex and its risks Starting in 2005 people in the US and Europe were inundated with media coverage announcing the link between cervical cancer and the sexually transmitted virus HPV Within a year product ads promoted a vaccine targeting cancer s viral cause and girls and women became early consumers of this new cancer vaccine An understanding of HPV s broadening association with other cancers led to the identification of new at risk populations namely boys and men and ignited a plethora of gender and sexual issues related to cancer prevention *Sexualizing Cancer* is the first book dedicated to the emergence and proliferation of the HPV vaccine along with the medical capacity to screen for HPV crucial landmarks in the cancer prevention arsenal based on a novel connection between sex and chronic disease Interweaving accounts from the realms of biomedical science public health and social justice Laura Mamo chronicles cervical cancer s journey out of exam rooms and into public discourse She shows how the late twentieth century scientific breakthrough that identified the human papilloma virus as having a causative role in the onset of human cancer galvanized sexual politics struggles for inclusion new at risk populations and ultimately a new regime of cancer prevention Mamo

reveals how gender and other equity arguments from within scientific medical and advocate communities shaped vaccine guidelines clinical trial funding research practices and clinical programs with consequences that reverberate today This is a must read history of medical expansion from a woman s disease to a set of cancers that affect all genders and of lingering sexualization with specific gendered racialized and other contours along the way

Evolution of an Academic

Department Barry S. Verkauf, MD, MBA, 2014-04-10 The health care industry and its professional practice are currently in uncertain times as the outcome of the hotly debated health care reform is awaited While the magnitude of potential change may be unchallenged the past century has been one of continual change for the medical profession and its practice The rapidity of this change has continually increased with emerging new technologies and changes in the social fabric of society Even the doctor patient relationship has changed Medicine as a profession and the specialties within it have had to adapt to this change in order to be relevant to the physicians it trains the patients they treat and to maintain status among their peers This book chronicles the history of the successful adaptation to required changes in one medical school department

Capacity Building in Technology Transfer Massimiliano Granieri, Andrea Basso, 2018-07-12 This book tells the story of capacity building in Europe with respect to technology transfer offices and organizations TTOs The traditional underdevelopment of technology markets in Europe has often been explained in terms of lack of capacity and skills among technology transfer professionals both as individuals and as part of TTOs Because of the severe consequences for economic development and industrial growth this situation has been repeatedly addressed by policy makers until the European Commission within the framework of Horizon 2020 decided to initiate a pan European pilot project on capacity building This book builds on the experience gained through that project and tries to reconnect it with current scholarly works on technology management by focusing on the new methodology developed In addition the authors present a series of case studies that may be used as a benchmark and as examples that will help high potential TTOs to improve their performance Both practitioners and researchers will benefit from the holistic perspective of the book which goes beyond the traditional approach and attempts to reconcile the theory and practice of organizing for technology transfer
