American 2020 Survival Blueprint:

America 2020 Porter Stansberry, 2015-03-11 The United States is destroying itself from the inside out The Corruption of America is a kind of moral decay a kind of greed a kind of desperate grasp for power And it s destroying our nation These corruptions do not need to exist If individual Americans take it upon themselves to become better citizens act with rational self interest and reject the ethos of getting yours we can correct these corruptions That s why Stansberry Research founder Porter Stansberry published America 2020 The Survival Blueprint Many are referring to it as the most valuable book in America I love the book it is so clear and concise Though I have studied a bit about the smartest way to survive what is coming this put all the best ideas together in one place My hat is off to you guys J R Absolutely excellent book I need to buy another 12 for my family and friends K B I read it the first day I had it It is a great book that explains our current situation simply and very accurately I intend to continue to use this book as a guide for investing and I will recommend it to my family and friends L R This is a story all Americans should know about I don t usually buy things off the Internet but I am extremely glad that I made an exception in this case C R *U.S. Democracy in Danger* Adebawale Akande, 2023-10-19 Historically Donald Trump will be remembered as the first American president to be impeached twice and indicted He fed the grotesque myth that the election was stolen and summoned his supporters to storm Congress on 6 January 2021 in a bid to thwart the certification of Joe Biden s U S presidential election victory This volume vividly recounts the dramatic narrative of the January 6 Coup in America and how close we came to losing U S democracy For anyone seeking a comprehensive and multidisciplinary global overview of democracy an astute analysis of the forces that drive the dominance of the neo liberal paradigm of the last decades should look no further than this volume Yet the volume takes the issue further by vigorously documenting the decline of the U S treaty process America s dysfunctional diplomacy and the doctrine of unpredictability There is an urgent need for a massive infusion of strategic support for democracy in the United States Because come 2024 or thereafter an unfinished work might drag American democracy to a dangerous inflection point Trump who has a complete hold on the Republican party still has a stranglehold on the MAGA base no matter what he does was instrumental to the breaking of U S diplomacy Undermining the democratic legitimacy of International Law adversely affected U S foreign policy Some federal and lower courts in the judiciary of the United States pose a real threat to Americans democracy as well To that end when the principle of truth loses its relevance and meaning as benchmarks for appraisals and decisions and becomes a harmful tool for willful propaganda Everybody should be worried about U S democracy A real crisis is coming U S Democracy is at a breaking point Like a giant modern mirror standing behind democracy itself this book is a citizen s guide to saving U S Democracy Expertly drawn on global and regional examples and current literature the volume closes a gap in the multidisciplinary field Quite useful as a valuable resource as it helps us understand the shifting Trump agenda in diverse areas Essential reference across a range of subjects bringing together contributions from scholars and policymakers alike

This extraordinarily well researched and practically crafted culture inclusive text could not be more relevant or timelier It is a must for everyone This volume will help to shape the political landscape of the 21st century and will remain a vital source of inspiration for modern day scholars and political activists

Whore Words Conrad Riker,101-01-01 Why Modern Men Are Failing And How to Reclaim Your Birthright Are you tired of being told to apologize for being a man Does it feel like the system is rigged to drain your wallet freedom and dignity What if everything you ve been taught about equality was a lie designed to shackle you Unlock the biological imperative that fueled empires Fortune 500 C E O s and warriors who shaped history Discover why 92% of high powered leaders share one primal trait leftists want to pathologize Escape the marriage plantation draining your wallet sanity and will to fight Arm yourself against toxic femininity s double bind damned for being strong despised for showing weakness Learn the 12 laws of power Marxist institutions don t want you to know see Bezos 38B mistake Transform from beta simp to Spartan warrior using 7 brutal truths about sex status and survival Defy the woke gynocracy rewriting 500 000 years of evolutionary success into a patriarchy fairytale Resurrect the honor codes that made men gods not government slaves begging for participation trophies If you want to crush weakness conquer cultural predators and forge a legacy worth fighting for buy this book today

Right-Wing Populism in Latin America and Beyond Anthony W. Pereira,2023-06-02 With contributions from 22 scholars and empirical material from 29 countries within and beyond Latin America this book identifies subtypes of populism to further understand right wing populist movements parties leaders and governments It seeks to examine whether the term populism continues to have any validity and what relationship s it has to democracy Part 1 is an exploration of populism as an analytical concept It asks how populism can and should be defined whether populism can be broken down into subtypes and whether the use of the term within and beyond Latin America in recent scholarship has been consistent Part 2 focuses on political economy and specifically whether political economy explanations of both the causes and consequences of right wing populism fit recent cases in Latin America Europe and the Philippines Part 3 examines institutions and in particular institutions of coercion and

digital communication It contains chapter studies on various aspects of populism in Brazil Spain India and Italy Part 4 concerns the coronavirus pandemic and the specific case of right wing populism in Brazil It examines the Bolsonaro government's response to the coronavirus pandemic and how that response exacerbated the health crisis and reduced the government's popularity Right Wing Populism in Latin America and Beyond is a timely and socially relevant contribution to the understanding of contemporary challenges to democracy It will be of interest to scholars students and practitioners eager to understand the rise in right wing agendas across the globe

Public Relations and Neoliberalism Kristin

Demetriou,2022 Focusing on two of the most fraught and intractable public debates of the present time human induced climate change and the human rights of refugees asylum seekers immigrants and the stateless this book raises critical questions about the role and relationship of public relations in weakening democratic political systems It shows a clear but often indirect link between PR and a neoliberal agenda that has been vastly underestimated and oversimplified as spin This comes at a great cost for society Public Relations and Neoliberalism provides a panoramic view of public relations from the post war period when a powerful communication template propelled by the PR industry served the neoliberal agenda to create political diversion division and hegemony at the same time But today public relations is not just a tool of industry or government Rather it has become the default mode and style of being and relating in the world that seeps into and affects all areas of life professional corporate domestic political activist and technological And the metastasis of neoliberal meaning into so many realms has important ramifications for society and individuals Looking at the confluences and contradictions within the logic of public relations both as a practice and in terms of how it has been theorized and understood this book provides an important contribution to critical work in the communicative field

America's Horror Stories Kevin Revier,Favian

Alejandro Martín,2024-12-31 America's Horror Stories U S History through Dark Tourism conducts a ghost tourist methodology to explore how slavery and racism are represented in dark tourism via ghost tours The authors travel to key sites of racist U S history including Salem Massachusetts where a witch panic was sparked by accusations of witchcraft by Tituba an enslaved woman practicing Voodoo New Orleans Louisiana which hosts the largest slave trade market the Myrtles Plantation in Francisville Louisiana and to Gettysburg Pennsylvania where the bloodiest battle of the Civil War took place marking a pivotal moment to end slavery in the nation but where Confederate ghosts are said to continue roaming the town and battlefield Acting as research ghost hunters tourists the authors go on walking and bus tours visit historical monuments stay at haunted hotels ponder objects in haunted museums and do some ghost hunting of their own They find that the ghosts conjured by tour guides ghosts of confederate soldiers American citizens and enslaved people tend to whitewash sensationalize and commercialize the horrors of U S history including slavery racism and colonialism They do not discount dark tourism entirely but recommend a ghost tourist pedagogy that critically considers social issues and structural forms of inequality that haunt us today America's Horror Stories will be of great interest to students and scholars researching and
