American Hardcore A Tribal History

Ingo Rohrer

American Hardcore A Tribal History:

American Hardcore Steven Blush, 2001 The first complete feisty and sordid history of American hardcore punk Angrier less pretentious and more stripped down than its artsy drug addled predecessor this harder faster form of music was never very pretty an angry and violent outlet for unfocused rage Packed with information on all aspects of the genre including oral histories from the stars and now forgotten participants the book explains the gestation rise and eventual fall of the hardcore scene along with an exceptionally comprehensive discography Extensively illustrated with b w photos **American Hardcore (Second Edition)** Steven Blush, George Petros, 2010-10-19 American Hardcore sets the record straight about the last great American subculture Paper magazine Steven Blush s definitive treatment of Hardcore Punk Los Angeles Times changed the way we look at Punk Rock The Sony Picture Classics distributed documentary American Hardcore premiered at the 2006 Sundance Film Festival This revised and expanded second edition contains hundreds of new bands thirty new interviews flyers a new chapter Destroy Babylon and a new art gallery with over 125 rare photos and images **American Hardcore** Steven Blush, 2010-10-01 Hardcore the hard edged second generation of punk rock whose peak period ranged from 1980 to 1986 has never before been captured in the way Steven Blushs authoritative extensively illustrated oral history revisits its dynamic and sordid past All the major hardcore scenes particularly in Southern California San Francisco Washington D C Boston New York City and Texas are given provocative voice through its major players from drugged out suburban Metal misfits to shit kicking skinheads to vegan anti drug pacifists American Hardcore A Tribal History not only recapitulates an important and influential scene its provocative sociological snapshots reveal the apocalyptic desperation of a singular time in American history Author Steven Blush was a prime mover in the scene he writes about in the 80s he promoted many hardcore tours and shows DJ an influential college radio show and ran a record label Later Blush published Seconds magazine and wrote for Paper Spin Interview Village Voice Details and High Times magazines The primary photographers included in this volume are Edward Colver and Karen O Sullivan Flyers set lists logos and record covers have been provided by many collectors and the book includes an extensive discography of Hard core rock releases from 1980 to 1986

Hardcore Punk in the Age of Reagan Robert Fitzgerald, 2025-05-27 Few politicians produced the musical reaction that Ronald Reagan did His California branded conservatism inspired countless young people to pick up guitars and thrash out their political angst Punk bands across the United States took aim at the man his presidency and the idea of America he was selling to voters nationwide Small yet vibrant scenes across the country emerged to challenge the communal norms and social values projected on them by the popular media and consumer culture Punk enthusiast Robert Fitzgerald argues that these songs lyrics aren t just catchy and fun to scream along with they also reveal the thoughts and feelings of artists reacting to their political environment in real forthright and uncensored time In candid detail Fitzgerald shows how these lyrics illustrated what young adults felt and how they reacted to one of the most influential and divisive leaders of the era

Punk lyrics are seemingly simple the author argues but they sketch out a complex musically inspired countermovement that is as canonical in the American songbook as the folk and rock protest music that came before *Encyclopedia of American Folklife* Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research **The Dave Grohl Story** Jeff Apter,2009-11-05 Teenage punk self taught musician bandleader session man smoker drinker multi millionaire David Grohl has achieved a rare feat a rock n roll double crown having been a member of two hugely successful and influential bands Nirvana and The Foo Fighters Loaded with candid interviews and hard truths about Grohl s life in music this is the first comprehensive biography of an icon whose career charts rock and roll s rise and fall over the past two decades Detailing his drumming and touring with Queens of the Stone Age and Nine Inch Nails and his battle over Nirvana s legacy with Courtney Love this is a no holds barred account of a career and life at the very top Grohl s powerhouse drumming anthemic riffing and melodic brilliance have proved both thrilling and enduring and he remains one of rock s most respected figures *The Oxford Handbook of Queer Cinema* Ronald Gregg,Amy Villarejo,2021 The Oxford Handbook of Queer Cinema encompasses more than a century of filmmaking film criticism and film reception looking at the ways in which the idea of queer cinema has expanded as a descriptor for a global arts practice **Pay for Your Pleasures** Cary Levine,2013-06-11 Focuses on work by the three artists from the 1970s through the 1990s Examines their participation in subcultural music scenes and discovers a common political strategy which lead them to create strange and unseemly imates that test the limites of art gender roles sex acceptable behavior poor taste and the gag reflex **Kids of the Black Hole** Dewar MacLeod,2012-10-09 Los Angeles rock generally conjures memories of surf music The Doors or Laurel Canyon folkies But punk L A s punk scene while not as notorious as that of New York City emerged full throated in 1977 and boasted bands like The Germs X and Black Flag This book explores how in the land of the Beach Boys punk rock took hold As a teenager Dewar MacLeod witnessed firsthand the

emergence of the punk subculture in Southern California As a scholar he here reveals the origins of an as yet uncharted revolution Having combed countless fanzines and interviewed key participants he shows how a marginal scene became a mass subculture that democratized performance art and he captures the excitement and creativity of a neglected episode in rock history Kids of the Black Hole tells how L A punk developed fueled by youth unemployment and alienation social conservatism and the spare landscape of suburban sprawl communities how it responded to the wider cultural influences of Southern California life from freeways to architecture to getting high and how L A punks borrowed from their New York and London forebears to create their own distinctive subculture Along the way MacLeod not only teases out the differences between the New York and L A scenes but also distinguishes between local styles from Hollywood s avant garde to Orange County s hardcore With an intimate knowledge of bands venues and zines MacLeod cuts to the heart of L A punk as no one has before Told in lively prose that will satisfy fans Kids of the Black Hole will also enlighten historians of American suburbia and of youth and popular culture [New York City](#) , [Damage Incorporated](#) Glenn Pillsbury,2013-09-05 Damage Incorporated is the first book about the legendary heavy metal band Metallica that provides a detailed exploration of the group s music and its place within the wider popular music landscape Written with a broad readership in mind it offers an interdisciplinary study that incorporates a range of topics which intersect with the band s music and cultural influence For students of popular culture mass media and music Damage Incorporated will be necessary reading and sets a new standard for the study and exploration of metal within the field of popular music studies **The Book that Made Your World** Vishal Mangalwadi,2012-10-24 Whether you re an avid student of the Bible or a skeptic of its relevance The Book That Made Your World will transform your perception of its influence on virtually every facet of Western civilization Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium From politics and science to academia and technology the Bible s sacred copy became the key that unlocked the Western mind Through Mangalwadi s wide ranging and fascinating investigation you ll discover What triggered the West s passion for scientific medical and technological advancement How the biblical notion of human dignity informs the West s social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion human rights prosperity and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible s archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization s greatness and the misguided beliefs that threaten to unravel its progress Learn how the Bible transformed the social political and religious institutions that have sustained Western culture for the past millennium and discover how secular corruption endangers the stability and longevity of Western civilization Endorsements In polite society the mere mention of the Bible often introduces a certain measure of

anxiety A serious discussion on the Bible can bring outright contempt Therefore it is most refreshing to encounter this engaging and informed assessment of the Bible s profound impact on the modern world Where Bloom laments the closing of the American mind Mangalwadi brings a refreshing optimism Stanley Mattson founder and president C S Lewis Foundation Vishal Mangalwadi recounts history in very broad strokes always using his cross cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization George Marsden professor University of Notre Dame author *Fundamentalism and American Culture* *Every Fire Needs a Little Bit of Help* Jarrod Shanahan,2025-09-02 A decade of American society coming apart Every Fire Needs a Little Bit of Help collects a decade of reflections on recent US struggles Occupy Wall Street Black Lives Matter and the George Floyd Rebellion alongside accounts of the rise of Trumpism the alt right an apocalyptic shift in popular culture to paint a dense and complex portrait of a decade of protracted social crisis Jarrod Shanahan reports from the ground On the streets in 2014 from the depths of the Rikers Island penal complex inside the alt right underground and the carnival of Trump rallies and in the line of fire in Kenosha Wisconsin in 2020 among other scenes that Shanahan accessed not as a credentialed observer but an active participant prisoner infiltrator activist The resulting essays outline the pitfalls and opportunities facing those seeking to reverse the suicidal course of capitalist society and build a liberated world *Punk Productions* Stacy Thompson,2012-02-01 Stacy Thompson s Punk Productions offers a concise history of punk music and combines concepts from Marxism to psychoanalysis to identify the shared desires that punk expresses through its material productions and social relations Thompson explores all of the major punk scenes in detail from the early days in New York and England through California Hardcore and the Riot Grrrls and thoroughly examines punk record collecting the history of the Dischord and Lookout record labels and zines produced to chronicle the various scenes over the years While most analyses of punk address it in terms of style Thompson grounds its aesthetics and particularly its most combative elements in a materialist theory of punk economics situated within the broader fields of the music industry the commodity form and contemporary capitalism While punk s ultimate goal of abolishing capitalism has not been met the punk enterprise that stands opposed to the music industry is still flourishing Punks continue to create aesthetics that cannot be readily commodified or rendered profitable by major record labels and punks remain committed to transforming consumers into producers in opposition to the global economy s increasingly rapid shift toward oligopoly and monopoly *Culture from the Slums* Jeff Hayton,2022 Culture from the Slums explores the history of punk rock in East and West Germany during the 1970s and 1980s examining how youths mobilized music to build alternative communities and identities during the Cold War and detailing how punk became the site of historical change on both sides of the Iron Curtain *The Politics of Post-9/11 Music: Sound, Trauma, and the Music Industry in the Time of Terror* Brian Flota,2016-02-24 Seeking to extend discussions of 9 11 music beyond the acts typically associated with the September 11th attacks U2 Toby Keith The Dixie Chicks Bruce Springsteen this collection interrogates the politics of a variety of post 9 11 music scenes

Contributors add an aural dimension to what has been a visual conceptualization of this important moment in US history by articulating the role that lesser known contemporary musicians have played or have refused to play in constructing a politics of protest in direct response to the trauma inflicted that day Encouraging new conceptualizations of what constitutes political music The Politics of Post 9 11 Music covers topics as diverse as the rise of Internet music distribution Christian punk rock rap music in the Obama era and nostalgia for 1960s political activism **Death and the Rock Star** Catherine

Strong, Barbara Lebrun, 2016-03-03 The untimely deaths of Amy Winehouse 2011 and Whitney Houston 2012 and the resurrection of Tupac Shakur for a performance at the Coachella music festival in April 2012 have focused the media spotlight on the relationship between popular music fame and death If the phrase sex drugs and rock n roll ever qualified a lifestyle it has left many casualties in its wake and with the ranks of dead musicians growing over time so the types of death involved and the reactions to them have diversified Conversely as many artists who fronted the rock n roll revolution of the 1950s and 1960s continue to age the idea of dying young and leaving a beautiful corpse which gave rise for instance to the myth of the 27 Club no longer carries the same resonance that it once might have done This edited collection explores the reception of dead rock stars rock being taken in the widest sense as the artists discussed belong to the genres of rock n roll Elvis Presley disco Donna Summer pop and pop rock Michael Jackson Whitney Houston Amy Winehouse punk and post punk GG Allin Ian Curtis rap Tupac Shakur folk the Dutchman Andr Hazes and world music Fela Kuti When music artists die their fellow musicians producers fans and the media react differently and this book brings together their intertwining modalities of reception The commercial impact of death on record sales copyrights and print media is considered and the different justifications by living artists for being involved with the dead through covers sampling and tributes The cultural representation of dead singers is investigated through obituaries biographies and biopics observing that posthumous fame provides coping mechanisms for fans and consumers of popular culture more generally to deal with the knowledge of their own mortality Examining the contrasting ways in which male and female dead singers are portrayed in the media the book

Cohesion and Dissolution Ingo Rohrer, 2013-11-26 The apocryphal story of punk and hardcore is narrated as a history of young rebels united by shared interests values and a sense of equality Through the example of the scene of Buenos Aires Ingo Rohrer demonstrates that this unity is fragile and requires different practices of maintenance to ensure the cohesive continuity of the community Friendship is the focus of these efforts but at the same time it is also a point of vulnerability where the group s dissolution and disappointment about the scene germinates Ingo Rohrer examines how a local scene s quest for cohesion is concurrent with tensions and contradictions Beyond the attention put on the friendship in the local scene the author asks what role friendships play in the local life world of neighborhoods and in the globalized punk and hardcore scene Based on rich empirical data the author suggests new perspectives on group processes and local transnational relations with relevance far beyond the realm of these vibrant music scenes **About Criminals** Mark

Pogrebin,2011-12-09 This book presents students with recent and important research on criminal behavior The articles in this anthology all based on actual field studies provide the reader with a realistic portrayal of what actual offenders say about crime and their participation in it The offenders voices along with the researchers analyses offer students a real life view of what how and why various criminals behave the way they do *Straight Edge* Ross Haenfler,2006 In this first in depth sociological analysis of the movement Ross Haenfler follows the lives of dozens of straight edge youths showing how for these young men and women and thousands of others worldwide the adoption of the straight edge doctrine as a way to better themselves evolved into a broader mission to improve the world in which they live Although the original definition of straight edge focused only on the rejection of mind altering substances and promiscuous sex modern interpretations include a vegetarian or vegan diet and an increasing involvement in environmental and political issues

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **American Hardcore A Tribal History**

In a global inundated with screens and the cacophony of instant communication, the profound power and emotional resonance of verbal art usually diminish in to obscurity, eclipsed by the regular onslaught of sound and distractions.
