Ali S Dream The Story Of Bahauallah:

Ali's Dream John Hatcher, 1980 The Baha'i Faith: Its History and Teachings William McElwee Miller, 1974 Its History and Teaching This book is a breath of fresh air There are millions of adherents to the Bahai Faith Mr Miller provides insight and primary sources giving the reader information about the history of the Baha i Faith Where the official and authorized Baha i histories are sanitized and revised Mr Miller who lived for years in Iran and fluent in Parsi provides access to the westerner into events occurring during the early years of this world religion The reader learns about the initial prophetic voices of the Bab and Baha u llah and the followers that founded the Bahai Faith after their deaths The author explains the transformational shifts and unbelievable history of the Baha is Why did the early writings appear to be create a society or philosophy and later suddenly the community was touted as a world religion Why are there are 7 Baha i sects Each exodus occurring when internal power struggles resulted in a few achieving greater control Why do Baha is work so hard to control their memberships contActs and reading material Why do Baha is shun those who leave considering anyone not fully supportive of the Baha i religion spiritual poison After reading this book it should be clear to the reader Due to the historical accuracy of the book s fActs and the author s position as a Protestant Missionary to an Islamic country not all readers will be satisfied Some will be offended those most likely the adherents who don t want the truth to come to light Some will be offended because the author was a Protestant Missionary Nevertheless any serious student of world religions will be grateful to have his contributions on record to the history of the Baha is *The Baha'i Faith* Joel Bjorling, 1985 **Book of Days** C. Edward Wall, 1987 **Whitaker's Cumulative Book List** , 1980 *Ali's Dream* John S. Hatcher, 2015 A classic work of Young Adult historical fiction revolving around the life of an eleven year old boy with a mysterious dream that inspires him to investigate his heritage and spiritual destiny *Melchizedek & the Temple* R. J. Konczyk, 2008-11-24 The current world confusion and condition of human affairs is a natural phase within an evolutionary process that will ultimately lead to the unification of the human race into a single social order This process has passed through stages we should consider as being analogous to those of infancy and childhood and is now in the culminating period of adolescence approaching its long awaited coming of age an age of universal peace and justice This has been the promise given throughout all the major faiths of the world The social fabric of the world is out of balance and through Divine intervention nations will form together in a collective consciousness recognizing the need for a revolutionary shift of spirit to undertake those measures creating lasting harmony and peace Dr M Scott Peck speaks of world views as being religious To move away from war we must distinguish between true religions and false religions true prophets and false prophets and that truth in religion is characterized by inclusivity while falsity in religion can be detected by its one sidedness and failure to integrate the whole History clearly shows that some form of a universal legislative body is not only essential but also inevitable Such a system is not conceived from the mind of mortal man rather it is a Divine System that was set in motion over 6000 years ago The purpose in writing

Melchizedek the Temple is to show the story of this evolutionary process a journey through time culminating with the promise of an earthly kingdom an all inclusive world government free from tyranny hate prejudice and war Melchizedek the Temple offers a practical and compelling alternative to antiquated ideas that in reality prevent humankind from achieving what it longs for universal peace and justice It is a message of warning and of promise **British Paperbacks in Print** ,1984
