

Alison Lester

Alison Lester was born in Victoria, Australia, in 1952 in a small coastal town in South Gippsland. She grew up on a farm overlooking the sea. She first rode a horse in her father's arms when she was just a tiny baby.

Alison went to Teachers College in Melbourne and trained as a Secondary Art Teacher. She loved teaching and art but didn't enjoy the time and routine of school, so she was keen to find a different and creative career. Alison decided to be a Mum who worked from home when her children were young. She contacted a publishing company, begged them for a job, and sent through her art portfolio. Alison says she is so grateful for the women there who saw her potential and gave her her first illustrating job.

Alison has been an illustrator for over 40 years. She spent five years illustrating other people's books. She found herself being critical and thought she could write an even better book. She went to task and wrote her first book called *Clive Eats Alligators*. It was what kickstarted her career as an author as well as an illustrator.

After working on picture storybooks, Alison published her first novel in 1997. It was called *The Guckhead Fairy*. Alison has had great success writing and illustrating her own books and has published over 25 books. She has found characters such as *Clive the Fairy* and a lot of her books are in the lists of most popular Australian Children's books.

Alison's books combine elements of imaginary worlds with everyday life. She includes a lot of inspiration from her childhood home near the coast. Alison also draws her love for animals with lots of horses, dogs and cats featured in her work.

As well as being a busy author, Alison is involved in many community projects. She often travels to remote Indigenous communities to draw her books and encourage them to write and read about their lives. Alison is also an ambassador for different literacy programs. She is currently an ambassador for the Indigenous Literacy Foundation, the Melbourne Royal Children's Hospital Education Initiative, the Clive Eats Alligators Foundation and the *Strong Places*.
