

Rainforest Similes and Metaphors

Choose from this selection of phrases to add to your descriptive writing about the rainforest.

Similes

as humid as a summer bath
as thick as wet fog
as colourful as a splattered rainbow
as damp as dew
as green as an emerald
as dark as a cavern
as dense as a ball of string
as crowded as a city street
as fragrant as a flower market
as noisy as a motorway

Metaphors

The walls of leaves were impenetrable.
A snake rested on a nest of vines.
The smell of flowers was a warm embrace.
Fireflies danced through the night.
The trickle of water was a whisper.
The sea of green spread out below.
Monkey calls floated down through the branches.
The forest floor was a carpet of earth and roots.
The sounds of rain was never ending.
The canopy was a ceiling of moving art.

Joshua Adams,2025-06-12 Modern literature is often described in terms of its impersonality What is the significance of this fact In Skepticism and Impersonality V Joshua Adams follows the history of impersonality in modern poetry from Mallarm and Eliot through to the present engaging with work by major poets and critics but also contemporary philosophers Rather than seeing impersonality exclusively as a literary historical phenomenon Adams argues that we should understand it as an attempt to address skeptical problems arising from the limitations of first person experience Defending impersonality as a response to skeptical problems including doubts about the publicity of our experiences our knowledge of other minds the capacity of our language to describe the world the relationship between mind and body and the fictionality and continuity of our sense of self Adams analyzes what he calls experiments in impersonality as means of working through skeptical doubt The writers discussed transform this doubt into art whilst also ironizing it as corrosive and self defeating Ultimately this leads Adams to reinterpret literary impersonality as a therapeutic philosophical project Skepticism and Impersonality promises a new theoretical justification for our practical interest in literary texts to renovate our conception of how those texts might do philosophical work and to expand our sense of what a philosophical poem can be *Learning and Teaching Literature with the Arts for Social Justice* Karen Spector,James S.
