A Guide for the Study of British Caribbean History, 1763-1834 Lowell Joseph Ragatz,1932

The American Passport in Turkey Özlem Altan-Olcay,Evren Balta,2020-04-17 An ethnographic exploration of the meaning of national citizenship in the context of globalization The American Passport in Turkey explores the diverse meanings and values that people outside of the United States attribute to U S citizenship specifically those who possess or seek to obtain U S citizenship while residing in Turkey zlem Altan Olcay and Evren Balta interviewed more than one hundred individuals and families and through their narratives shed light on how U S citizenship is imagined experienced and practiced in a setting where everyday life is marked by numerous uncertainties and unequal opportunities When a Turkish mother wants to protect her daughter s modern secular upbringing through U S citizenship U S citizenship for her is a form of insurance for her daughter given Turkey s unknown political future When a Turkish American citizen describes how he can make a credible claim of national belonging because he returned to Turkey yet can also claim a cosmopolitan Western identity because of his U S citizenship he represents the popular identification of the West with the United States And when a natural born U S citizen describes with enthusiasm the upward mobility she has experienced since moving to Turkey she reveals how the status of U S citizenship and Americanness become valuable assets outside of the States Offering a corrective to citizenship studies where discussions of inequality are largely limited to domestic frames Altan Olcay and Balta argue that the relationship between inequality and citizenship regimes can only be fully understood if considered transnationally Additionally The American Passport in Turkey demonstrates that U S global power not only reveals itself in terms of foreign policy but also manifests in the active desires people have for U S citizenship even when they do not intend to live in the

United States These citizens according to the authors create a new kind of empire with borders and citizen state relations that do not map onto recognizable political territories *Essential Guide to Becoming a Disciple* Greg Ogden,2016-10-05
