Goldfield, 1998 The American Journey introduces readers to the key features of American political social and economic history Written in a clear engaging style with a straightforward chronological organization it provides readers with a solid framework for understanding the past It gives prominent coverage to the West and South and highlights the importance of religion in American history It traces the emergence of distinctively American ideals and the way the conflict between those ideals and reality has shaped our nation s development It brings alive the crucial issues and events behind the continuing effort of Americans to live up to their ideals

Journey to Ithaka: Memoirs of an American Diplomat Dave Grimland, 2015-07-29 Dave Grimland journeys from his roots in Texas to his final home in Montana via stops in Greece Cyprus Turkey Bangladesh and India like Odysseus traveling home to Ithaka As a member of the American diplomatic service he had the rare opportunity to learn about other cultures and religions in a series of exciting and occasionally dangerous adventures including a 1974 stop in Cyprus where he found himself caught in the middle of a coup that would transform the region s political landscape Some of the stories are funny others are sad but all of them entertaining and informative Take a deeper look into other cultures and gain new perspectives on old vexing problems with a Journey to Ithaka Back cover

Corrupted Freedom Joe Wilmoth, 2013-02 Drawing upon a lifetime of experience as a highly successful businessman grounded in the powerful Judeo Christian principles he holds most dear the author s near death experience moved him to express his concerns for our nation He explains why your involvement combined with a Christian perspective is necessary for our return to a true republic under God with liberty justice and opportunity for all He identifies and addresses the major problems we face and suggests a course of action designed to return our country to the shining city on a hill that once it was Our nation has changed dramatically Some changes have been for the better but many have been appalling We are rapidly losing our freedoms and the opportunities for success that once existed in America Young people today have far less opportunity for success than did their parents and grandparents Continual interference by an all intrusive government in the lives of citizens and the growing rejection of our being one nation under God have seriously wounded our nation and threatened our very survival
