The Gold Mines of the World J.H. Curle, The Gold Mines of the World 2d edition 1902 Written after an inspection of the mines of the Transvaal Rhodesia India Malay Peninsula West Australia Queensland Victoria New South Wales Tasmania New Zealand British Columbia the Klondyke United States Alaska and Mexico Illustrated with plans and photographs

The Klondike Gold Rush Charles River Charles River Editors,2017-01-11 Includes pictures Includes accounts of the gold rush written by participants Includes a bibliography for further reading Includes a table of contents Alaska is the land of the Nineteenth Century Argonauts and the Golden Fleece hidden away among its snowcapped and glacier clad mountains is not the pretty creation of mythological fame but yellow nuggets which may be transformed into the coin of the realm The vast territory into which these hardy soldiers of fortune penetrate is no less replete with wonders than the fabled land into which Jason is said to have led his band of adventurers There is this difference however between the frozen land of the North and the fabled land of mythology There is nothing conjectural about Alaska or its golden treasure Jason led his band into an unknown country without the certain knowledge that the treasure he was seeking was there A C Harris author of Alaska and the Klondike Gold Mines 1897 One of the most important and memorable events of the United States westward push across

the frontier came with the discovery of gold in the lands that became California in January 1848 Located thousands of miles away from the country's power centers on the East Coast at the time the announcement came a month before the Mexican American War had ended but it brought an influx of an estimated 90 000 Forty Niners to the region in 1849 hailing from other parts of America and even as far away as Asia All told an estimated 300 000 people would come to California over the next few years as men dangerously trekked thousands of miles in hopes of making a fortune and in a span of months San Francisco's population exploded making it one of the first mining boomtowns to truly spring up in the West This was a pattern that would repeat itself across the West anytime a mineral discovery was made from the Southwest and Tombstone to the Dakotas and Deadwood Of course it was all made possible by the collective memory of the original California gold rush when gold was discovered in the Yukon and Alaska almost 50 years after the rush in California it drew tens of thousands of prospectors despite the unforgiving climate Mineral resources had gone a long way in the United States acquiring Alaska a generation earlier but the lack of transportation kept all but the most dedicated from venturing into the Yukon and Alaska until the announcement of the gold rush For a few years the attention turned to the Northwest and thanks to vivid descriptions by writers like Jack London the nation became intrigued with the idea of miners toughing out the winter conditions to find hidden gold Of course despite the mythology and the romantic portrayals that helped make the Klondike Gold Rush most of the individuals who came to make a fortune struck out instead The gold rush was a boon to business interests which ensured important infrastructure developments like the railroad and the construction of westward paths but ultimately it also meant that big business reaped most of the profits associated with mining the gold While the miners are often remembered for panning gold out of mountain streams it required advanced mining technology for most to make a fortune Nevertheless the Klondike Gold Rush and other gold rushes were emblematic of the American Dream and the notion that Americans could obtain untold fortunes regardless of their previous social status As historian H W Brands put it The old American Dream was the dream of the Puritans of Benjamin Franklin's Poor Richard of men and women content to accumulate their modest fortunes a little at a time year by year by year The new dream was the dream of instant wealth won in a twinkling by audacity and good luck While the gold rush may not have made every miner rich the events still continue to influence the country's collective mentality

All about the Klondyke Gold Mines - Primary Source Edition J. Armyox Knox, J. Pratt, 2014-02 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

The Klondike Fever: The Life And Death Of The Last Great Gold Rush Pierre Berton, 2015-11-06 Absolutely first

rate The New Yorker This thrilling story is at once first rate history and first rate entertainment Incredible events occurred in North America after a decrepit steamboat docked at Seattle in 1897 containing two tons of pure gold So frenzied was the clash for gold and so scant was information about conditions in the Klondike that the rush for riches became a kind of fabulous madness The entire tale of which Pierre Berton's account is the definitive telling has an epic ring legends were lived and fortunes were won as much because of its splendid folly as because of its color and motion The definitive account of an affair as wildly improbable as any in North American history Saturday Review A lively saga of the great gold rush It is the most complete and most authentic on the subject in English The New York Times Book Review Alaska and the Klondike Gold Fields A. C. Harris, 1897 *All about the Klondyke Gold Mines. - Scholar's Choice Edition* Knox, J G Pratt, 2015-02-20 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Klondike Gold Rush Charles River Charles River Editors, 2015-03-17 Includes pictures Includes accounts of the gold rush written by participants Includes a bibliography for further reading Includes a table of contents Alaska is the land of the Nineteenth Century Argonauts and the Golden Fleece hidden away among its snowcapped and glacier clad mountains is not the pretty creation of mythological fame but yellow nuggets which may be transformed into the coin of the realm The vast territory into which these hardy soldiers of fortune penetrate is no less replete with wonders than the fabled land into which Jason is said to have led his band of adventurers There is this difference however between the frozen land of the North and the fabled land of mythology There is nothing conjectural about Alaska or its golden treasure Jason led his band into an unknown country without the certain knowledge that the treasure he was seeking was there A C Harris author of Alaska and the Klondike Gold Mines 1897 One of the most important and memorable events of the United States westward push across the frontier came with the discovery of gold in the lands that became California in January 1848 Located thousands of miles away from the country's power centers on the East Coast at the time the announcement came a month before the Mexican American War had ended but it brought an influx of an estimated 90 000 Forty Niners to the region in 1849 hailing from other parts of America and even as far away as Asia All told an estimated 300 000 people would come to California over the next few years as men dangerously trekked

thousands of miles in hopes of making a fortune and in a span of months San Francisco's population exploded making it one of the first mining boomtowns to truly spring up in the West. This was a pattern that would repeat itself across the West anytime a mineral discovery was made from the Southwest and Tombstone to the Dakotas and Deadwood. Of course it was all made possible by the collective memory of the original California gold rush when gold was discovered in the Yukon and Alaska almost 50 years after the rush in California it drew tens of thousands of prospectors despite the unforgiving climate. Mineral resources had gone a long way in the United States acquiring Alaska a generation earlier but the lack of transportation kept all but the most dedicated from venturing into the Yukon and Alaska until the announcement of the gold rush. For a few years the attention turned to the Northwest and thanks to vivid descriptions by writers like Jack London the nation became intrigued with the idea of miners toughing out the winter conditions to find hidden gold. Of course despite the mythology and the romantic portrayals that helped make the Klondike Gold Rush most of the individuals who came to make a fortune struck out instead. The gold rush was a boon to business interests which ensured important infrastructure developments like the railroad and the construction of westward paths but ultimately it also meant that big business reaped most of the profits associated with mining the gold. While the miners are often remembered for panning gold out of mountain streams it required advanced mining technology for most to make a fortune. Nevertheless the Klondike Gold Rush and other gold rushes were emblematic of the American Dream and the notion that Americans could obtain untold fortunes regardless of their previous social status. As historian H. W. Brands put it: "The old American Dream was the dream of the Puritans of Benjamin Franklin's *Poor Richard* of men and women content to accumulate their modest fortunes a little at a time year by year by year. The new dream was the dream of instant wealth won in a twinkling by audacity and good luck. While the gold rush may not have made every miner rich the events still continue to influence the country's collective mentality." **Alaska**

and the Klondike Gold Fields... Practical Instructions for Fortune Seekers, Etc. Etc, Including a Graphic Description of the Gold Regions... Including Mrs. Eli Gage's Experiences of a Year Among the Yukon Mining Camps A. C. Harris, 1897 *Two Years in the Klondike and Alaskan Gold Fields 1896-1898* William Haskell, 2014-01-27 A thrilling narrative of personal experiences and adventures in the wonderful gold regions of Alaska and the Klondike with observations of travel and exploration along the Yukon. Portraying the dangers hardships and privations of a gold seeker's life with a faithful description of life and scenes in gold mines and camps. Including full and authentic information of the countries described their underground treasures how to find them etc. This classic first hand account contains the following chapters: I My Boyhood and Early Life What Led Me to Adopt the Life of a Gold seeker Why My Eyes Were Turned Towards Alaska II Ho For Alaska Extent of Our Great Territory Getting Ready For the Start Our Outfit and What It Consisted Of III Choosing a Route Our Voyage Along the Coast arrival at Dyea First Experience With Natives IV Life on the Trail Strange Sights and Scenes Storm Bound in Sheep Camp a Woman's Adventures and Experiences V The Dreaded Chilkoot Pass How
