Radio,2011-09-19 It is early evening in eighteenth century Eastern Europe and two teens have just risked life and limb to escape from a lifetime of child labor at the hands of a wicked psychological mastermind Dr Frederick Fud Now Will and Dee are running for their lives But when they stumble upon a cellar with a secret door they are suddenly transported into a community of extraordinary mentors who are about to change their lives forever Dr Fud one of the most powerful men in the Kingdom of Id is determined to continue his quest to capture the two teens and make them pay dearly for their mistakes Meanwhile Will and Dee meet Master Servante the leader of an underground community of scholars and inventors who comforts the frightened young people with his promise to protect them from danger As Servante and his community help the youths elude attempts at recapture and uncover their extraordinary destinies Will and Dee must find the courage to face their greatest fears In this fantasy tale the two teens must trust Servante to overcome their painful past in order to transform their dreams into realitybefore the evil doctor finds them **Dreammaker** Dean Eilertson,2018-08-22 Set in Nova Scotia Dreammaker is a story about a young man s life in the late 1940 s Every film starts its life as a pitch It s the first thing all Producers Directors and Actors insist on reading Screen plays or scripts are either original or adapted from existing books they are written in an abridged way vs the traditional way of storytelling on purpose Creative people want to fill in their own blanks they don t want their own visions limited Dreammaker was written as a screen play I knew when I decided to publish that this format was not going to be for everyone I also knew that there would be readers out there who might be looking for something more challenging I want you to take the helm Read my words and direct your own movie I feel viewers today are extremely astute and that their minds are more powerful than our industry sometimes gives them credit for Fill in the blanks choose your own actors direct your mind s eye to what you want to see Each person s version will be based on their own life experiences Enjoy your journey The Dream Maker Arnaldo Ricciulli,2013-07-11 In 2013 Dan and Malou Politano decide to take a trip back into their past in the hope of changing the events that followed Dans skiing accident thirteen years earlier During their incredible voyage through their imagination they relive their past under Damianoss guidance The Dream Maker is a fantasy based on intrinsic truth It is a book that will take the reader beyond the realm of imagination and onto a road where they will rediscover the essence of virtues and opposing evil With their guardian angels at their sides Dan and Malou will perform twelve Herculean tasks that should solidify their strength in the future Will they be able to return to the present and to their family A question that will have the reader turn the pages of this book in search of an answer Dear Dream Maker Dr. Leggie L. Boone,2023-07-19 When I rest my eyes and fall into that place of disconnection from my surroundings I

slide over into a land of creative colorful narrations My dreams are often so eventful that I wake up exhausted The events in this book are real in my dreaming mind This volume includes dreams and notes from 1997 through 2006 I have been journaling my dreams for decades and decided there must be a reason therefore I am sharing These episodes of varying lengths are neither fiction nor nonfiction fantasy nor reality just dreams Sometimes they are funny and at times they reflect the job I am working or events that have actually happened in my real life I have also included some diary notes that fit between some of the dreams that may offer context I have rarely tried to interpret my dreams mainly because I am hesitant to connect with the power or prophecy or clairvoyance There is space for interpretation and space for response to prompts about different dream scenarios and triggers I encourage everyone to read imagine and travel to familiar or strange places in my mind and your own

Her Leading Man (The Dream Maker Series, Book 4) Alice Duncan,2014-10-23 HER LEADING MAN is fascinating and so authentically drawn reading it delightfully transported me to the world of early Hollywood Kate McMurry Christina Mayhew doesn't consider herself a gifted thespian Acting in Silent Films is simply a means to earn money for medical school so she can become a physician like her beloved father Thankfully her gentlemanly producer Martin Taft understands While Martin is happy to discuss feminism and women's suffrage with Christina his inner reaction to her secret goal is one of crushing disappointment With moving pictures developing a sordid reputation thanks to hard drinking and drug consuming stars he needs Christina's wholesomeness to create the kind of movies he envisions Then an accident on the set forces Martin to take the male lead and Christina gets a taste of his kisses on screen at last Now all she has to do is convince him he is perfect for another role her lifetime leading man The love scenes are very emotional and very hot Kate McMurry Very highly recommended Cindy Penn Wordweaving THE DREAM MAKER SERIES in order Cowboy for Hire Beauty and the Brain The Miner's Daughter Her Leading Man *Dream Maker* Henrietta Dixon-Collier,2022-10-12 Just reading this book can give you a collage of amazing ideas Actually as you continue to read you'll begin to notice everyone's talent better known as a gift is so necessary no matter the age color gender or level of education This book is extremely thought provoking So take notes as you continue to read this book because you'll begin to notice that we all have something that our community needs and wants Of course you'll be pleasantly amazed to see how one person's dream comes true in this book due to the actions of another Egalitarianism is the poster child for success Actually when we practice equality equal rights for everyone dreams do come true There's no small talent better known as a gift not one Remember everything that exists once was a dream before it became a reality
