The snowball flew through the air and hit Bella hard in the "tush" (that was a hard blow," she yelled at her Dad, who had behind a snowman.

Bella and her Dad were having a very serious snowy snows meadow before they had to go back to work tomorrow. Bella was about to throw a big snowball. Dad was hiding, but he jumped out and hit her in the elbow.

"I know I won't win," yelled Bella at her Dad, as the dunglow the family was staying in. As the snows missed her face, she jumped over the dunglow in the shadow, noying her t.

She watched as her Dad collected as he could carry. Bella knew he was going to suddenly, she had on! (she had covered her whole body). She was gr.

A GAME OF SPIES

Find and circle the words with the "oi" vowel team in them.

Maghan and Valentina were playing a game of spies. They were spying on Valentina's older brother Nathan, who was playing dress ups with their cousin Liam. She had told him a lie and said they were going to the shop for some tiles. But really they were watching the boys playing superheroes from Nathan's closet.

Nathan was pretending to be Superman and Liam was a villain. "I hope to die," Nathan cried. The boys wrestled and jumped around the room. Nathan grabbed Liam's arm and held him down.

"I need to tie you up!" he cried at Liam. Nathan looked around for something to tie Liam up. He grabbed a shoelace and tied it but it was way too weak. He had never tied Liam up before and couldn't think what to use. Then he had a fantastic idea. A neighbor he held Liam's hands down and reached for his closet.

Valentina and Maghan held their breath as they watched Nathan reach towards the closet they were hiding. Valentina knew Nathan would get angry if she found them there. Suddenly, their mother called out. "I've just cooked a pie good. Come down now while it is warm before it dries."

Nathan and Liam jumped out of their hiding spots and ran to the kitchen. Valentina

All Vowel Teams Passages:

How to Plan Differentiated Reading Instruction, Second Edition Sharon Walpole, Michael C. McKenna, 2017-07-04 Tens of thousands of K 3 teachers have relied on this book now revised and expanded with more than 50% new material to plan and deliver effective literacy instruction tailored to each student's needs. The authors provide a detailed framework for implementing differentiated small group instruction over multiweek cycles. Each component of the beginning reading program is addressed: phonological awareness, word recognition, fluency, vocabulary, and comprehension. In a large size format with lay flat binding for easy photocopying, the book includes dozens of reproducible lesson plans, instructional activities, assessment forms, and other tools. Purchasers get access to a Web page where they can download and print the reproducible materials. New to This Edition: Differentiation 2.0: the approach has been fine-tuned based on field testing, new research findings, and current standards and response to intervention frameworks. Many additional reproducible tools such as coaching templates and the Informal Decoding Inventory. Beyond lesson plans and materials, the second edition offers more guidance for designing instruction and grouping students, making it a one-stop resource. Reproducible tools now available to download and print.

The Phonics Playbook Alison Ryan, 2024-04-23 A guide for K 3 educators who need to teach phonics at different levels in diverse classrooms without burning out. The Phonics Playbook is the one phonics-focused resource that offers a solution for phonics instruction in real-world K 3 classrooms. Understanding phonics instruction in theory is one thing, but actually integrating it into daily classroom life in a way that meets the needs of diverse students is another. This book offers simplified instruction and practical guidance for differentiating instruction using three models: whole group instruction with elements of differentiation, phonics-focused small group instruction, and small group reading instruction that also incorporates phonics. You will learn to assess student needs, choose the model that's right for you, and make data-based adjustments as time goes on. In addition to guidance on differentiation, this book also weaves in best practices in phonics instruction and effective strategies for teaching phonics skills, which is especially helpful for newer teachers. The Phonics Playbook guides you from start to finish and helps you develop a positive, effective mindset around differentiation. Confront the problem of so many needs and so little time in a productive, sustainable way and avoid burnout with this excellent guide. Review the basics of phonics instruction and learn three different methods for differentiating instruction in K 3 classrooms. Help students progress with their reading even when you have many different reading levels in class. Reduce the workload necessary to provide differentiated instruction in phonics and reading. Find practical ways of implementing phonics instruction in real-world classrooms with real-world challenges. New and experienced K 3 educators, principals, and literacy coaches, as well as homeschool educators and parents, will appreciate the no-nonsense approach in The Phonics Playbook.

10 Success Factors for Literacy Intervention Susan L. Hall, 2018-07-16 Why aren't more schools seeing significant improvement in students' reading ability when they implement Response to Intervention (RTI) or Multitiered Systems of

Support MTSS in their literacy programs These frameworks serve as a way for educators to identify struggling readers and provide the small group instruction they need to improve their skills But the success stories are too few in number and most schools have too little to show for their efforts What accounts for the difference What are successful schools doing that sets them apart Author and education consultant Susan Hall provides answers in the form of 10 success factors for implementing MTSS Based on her experience in schools across the United States she explains the whys and hows of Grouping by skill deficit and using diagnostic assessments to get helpful data for grouping and regrouping Implementing an instructional delivery model including the walk to intervention model Using intervention time wisely and being aware of what makes intervention effective Providing teachers with the materials they need for effective lessons and delivering differentiated professional development for administrators reading coaches teachers and instructional assistants Monitoring progress regularly and conducting nonevaluative observations of intervention instruction Practical comprehensive and evidence based 10 Success Factors for Literacy Intervention provides the guidance educators need to move from disappointing results to solid gains in students literacy achievement
