

UNIT 1

Have students read the guide for the unit and learn new words that are unfamiliar to them. Have students add these words to the glossary. Words: *Ward*, along with definitions.

You may also want to assign these guides to a whole group in the classroom for the duration of this unit, allowing you and your students to revisit the guide orally and gauge progress toward achieving goals throughout the unit.

VOCABULARY DEVELOPMENT

In your term paper in this unit, you should use new words in your writing. Have students add words to the glossary and use them in their writing. Words: *Ward*, along with definitions.

Assigning vocabulary development is important for reading fluency. Students will encounter new vocabulary in this course in multiple ways.

- Academic Vocabulary
- Literary Terms
- Multiculturalism in our systems (often glossed)
- Word Connections
- Oral Discussions

Encourage students to read in *Readers/Writer Notebooks* in which they record new words and their meanings. Have students use word study guides to organize to study new vocabulary terms in ways that greatly enhance their understanding of new words and their connection to unit concepts and to the broader use of vocabulary terms.

See the Resources section at the back of this book for examples of graphic organizers suitable for word study. As students become more familiar with using graphic organizers to explore the meaning of words, you may want them to create their own graphic organizers.
